

Our Mission

The Kettering Police Foundation was established to create a way for citizens, organizations and businesses to give back to Ohio's Finest Community. The Foundation is a police-related organization with the sole purpose of recognizing and helping those in need. The Foundation sponsors state-of-the-art training to area police officers, assists citizens with extraordinary situations, as well as awards college scholarships to students who have had a positive impact on the community.

Our Purpose

The Kettering Police Department operates under the community-oriented policing philosophy. This belief promotes stronger interaction between police and community. Under this philosophy, officers identify individuals and families in need of monetary assistance who are not eligible to receive help under existing programs.

The Kettering Police Department is sensitive to the needs of those less fortunate and created a foundation with the sole purpose of helping and enhancing the community.

The Kettering Police Foundation serves as a vehicle to accept donations made in honor of the excellent work performed by Kettering Police Department employees. The Foundation enables citizens and organizations to donate monetary gifts in appreciation for outstanding service, and distributes these funds back to local individuals and families in need.

In 1995, The Kettering Police Foundation was incorporated as a non-profit corporation and obtained a ruling from the Internal

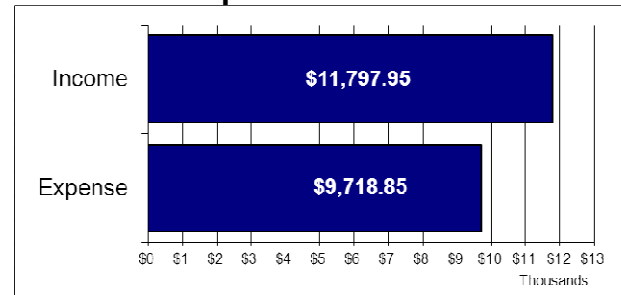

Revenue Service, qualifying it as a 501 c (3), tax-exempt organization.

The Foundation does not use professional fund raisers, and all contributions that are made go directly to the Foundation.
