SPRING RESIDENTIAL LEAF COLLECTION TAKES PLACE NEXT WEEK

The City of Kettering will conduct one final, quick round of residential leaf collection beginning Monday April 17, 2017.

Please rake any remaining leaves to the edge of your yard near the curb no later than 7 AM on Monday April 17 for collection.

The spring round of leaf collection is a one time pass through the entire city which is typically completed in a day or two.

County ordinance prohibits burning of leaves.

Please do not bag leaves or rake in to the street where leaves can block storm drains.

Please make sure that your leaves are not under, between or around parked cars.

Please do not rake anything except leaves out to the curb for pick up. Branches, sticks, grass and other yard waste clog city machinery and delay collection crews. You may take your tree branches and brush to the City's Yard Debris Drop-Off Center located on Woodman Center Drive or place them in your trash toter for pick-up by Waste Management on your normal trash collection day.

NEIGHBORHOOD PRIDE

This year marks the 29th year of the Neighborhood Pride Program! This program is designed to honor residents who have made significant improvements to their homes or who have maintained their properties impeccably year after year.

Soon you will receive information by mail inviting you to nominate a neighbor, a business, yourself, or any Kettering resident you think is deserving of the Neighborhood Pride Award.

- Brush, limbs and trimmings should be cut to 6 ft. length and 4 in. diameter. Items exceeding these specifications may be refused.
- The Yard Debris Center can not accept the following: Grass Clippings, Thatch, Sod, Dirt, Rocks, Concrete or Building and Construction Materials. These items contaminate the composting process and cause equipment failure. However, Montgomery County Solid Waste District may accept some of these materials. Please call (937) 225-4999 for more information.

In addition to the services provided at the Yard Debris Center, Kettering residents may also dispose of yard waste through Waste Management residential service along with your regular household trash.

Simply place your yard debris in your trash toter for collection on your regular service day. Yard waste must fit inside your toter and need not be bagged. Waste Management will not collect separate bags or bundles of yard debris left next to your toters.

For further information on Waste Management's program, you may call 1-866-263-6445.

Leaf compost and mulch is now available to Kettering residents at Indian Riffle Park 2801 E. Stroop Road.

You may pick up compost and mulch in your truck, trailer or other container during daylight hours, seven days a week. Please remember to bring proof of Kettering residency with you for verification.

The Street Division hauls material from the "Leaf Farm" to Indian Riffle Park location on Thursdays and Fridays.

If you have any questions, please call 296-2472, Monday-Friday, 8:00 a.m.-4:00 p.m., and you may speak with one of our staff.

Nominations will also be accepted online at www.ketteringoh.org or by email to marylou.randolph@ketteringoh.org. The deadline for nominations is August 1.
