A Taxpayer that has not requested or received a six-month extension for filing their federal income tax return may request that the Tax Administrator grant a six-month extension of the date for filing their municipal income tax return.

Any Taxpayer that has duly requested an automatic six-month extension for filing their federal income tax return shall automatically receive an extension for the filing of their municipal income tax return.

Any Taxpayer that qualifies for an automatic federal extension for a period other than six months for filing their federal income tax return shall automatically receive an extension for the filing of their municipal income tax return.

No late filing fee will be charged in those cases in which the return is filed and the final tax paid within the extension period.
