

KETTERING SAFETY VILLAGE 2018

Kettering Safety Village, sponsored by the **Dor-Wood Optimist Club**, is a **FREE** week-long transportation and life-safety program for children who are registering for Kindergarten in August 2018.

The **City of Kettering's Engineering Department Safety Section** in collaboration with **Kettering City Schools** is proud to operate this program designed to teach our youngest citizens how to be safe.

Safety Village instructors are joined by Kettering police, fire and school personnel to provide age-appropriate classroom instruction on a variety of safety topics to participants. Children get to practice and reinforce what they've learned at our indoor Safety Village, with child-size replicas of streets, intersections and buildings. Children also participate in a variety of additional activities, including a ride on a Kettering school bus and a "Safe Walk" in a neighborhood. Through classroom instruction and fun and exciting hands-on experience, young children will begin to develop safe habits for a lifetime.

Students enrolled in any elementary school within the City of Kettering who complete Kettering Safety Village will receive a FREE kindergarten supply starter kit.

The program is for children entering Kindergarten grade level only.
Children must be able to use the restroom without help.
No snacks/drinks are provided, but there will be water and restroom breaks.

REGISTRATION will be open in early APRIL

SESSION INFORMATION				
#	SESSION	TIME	DATE	LOCATION
	831000 A	8:00-10:00	June 18-22	All sessions will take place at: JE Prass Elementary 2601 Parklawn Drive Kettering, OH 45440

Register online at www.playkettering.org for Kettering Safety Village
or in person at the Kettering Recreation Center, 2900 Glengarry Dr.

To register online, you will need a household account. If you have not registered with the city in the past, you can use the [create an account](#) link. Once you submit your information, our staff will send your login information to the email you provide.

Print out the registration verification and bring a copy on the first day of class.

If you have any questions regarding registration, please call 937.296.2587 or email registration@ketteringoh.org.

For general class information please contact the City of Kettering Engineering Department, Transportation Safety Section at 937.296.2520

Does your child require an ADA modification for Safety Village?

The City of Kettering understands the Americans with Disabilities Act requirements. We invite participation by people with disabilities, alongside people without disabilities, in our programs, sites, and facilities.

The Summer Camp Modification Request form is available at all Kettering Parks, Recreation and Cultural Arts front desks as well as the Summer Camps Information Hub on www.playkettering.org. Please fill out and return to the front desk or email completed form to kettprca@ketteringoh.org after you have registered for the program.

We want your child to begin the program on time. The sooner we know about your child, and how we can support your child in our programs, the more likely your child will start the program on time. However, if delays in communication occur, we will delay the start of program participation. **Please register early & submit the request form early!**

For more information about our accessibility, inclusion, and special programs initiatives, contact Anna Breidenbach at anna.breidenbach@ketteringoh.org or call 937.296.2439.
