**921.01 PERMISSION FOR UTILITY POLES.**

No electric light, telephone, street railway or telegraph poles shall be located or placed upon any of the streets or public ways of the City without written notice thereof, first given to the City Engineer, and permission in writing given by him therefor. Such permission may be revoked by the City Engineer when public convenience or necessity require the removal or relocation of such poles. (Ord. 617-58. Passed 10-28-58.)

**921.02 EQUIPMENT AND MATERIAL FOR POLES AND WIRES.**

No wire, machinery or appliances used in placing or stretching wires upon poles, or in erecting poles or lines of wire, or in repairing poles or wires shall be left in the streets or public ways unaccompanied by men in charge thereof. Such materials or machines shall not interfere unreasonably with the public use of the streets or public ways. All wire and particles thereof, all insulators and attachments of every description, tools and machinery, tree limbs, brush and litter of every kind and description caused by the handling of the poles or wires, and working in and about the same, shall be immediately cleaned up and taken away as soon as the work is done. At no time shall such materials be left overnight. (Ord. 617-58. Passed 10-28-58.)

**921.99 PENALTY.**

Whoever violates any of the provisions of this chapter shall be guilty of a minor misdemeanor for the first offense. A second violation of any of the provisions of this chapter by the same person within one year after the first violation, whether of exactly the same section or not, shall constitute a fourth degree misdemeanor. (Ord. 3579-92. Passed 10/27/92.)
