CHAPTER 103
Official Standards

EDITOR'S NOTE: The State of Ohio operates on Eastern Daylight Savings Time from 2:00 a. m. of the last Sunday in April until 2:00 a. m. of the last Sunday in October. Congress on March 22, 1966, passed the Uniform Time Act requiring uniform observance throughout the nation of Daylight Savings Time starting in 1967, except that a state legislature could exempt the entire state from Daylight Savings Time or divide a state into not more than two parts, each with a different time standard. The Ohio legislature through inaction has elected to observe Eastern Daylight Savings Time throughout the State of Ohio.
