What is your interest in the proposed project? (check all that apply)

- I own or rent property in the vicinity of the project
- □ I work in the vicinity of the project
- □ I use the bridge to travel to and from work
- □ I use the bridge to travel to and from my residence
- I am a pedestrian and/or cyclist and use the bridge for recreation
- □ Other (please describe)

The environmental review, consultation and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by ODOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated 12/11/2015, and executed by FHWA and ODOT.

The project is being undertaken to replace the existing bridge, which is in poor condition. The project also provides an opportunity to improve overall safety at the project site. Are there other issues within the roadway corridor that you feel should be considered under this project?

The project will require temporary closure of Ridgeway Road over West Dorothy Lane, including the Ridgeway Road and Wayside Court intersection, during construction. Please provide any concerns you have regarding the access limitations provided during construction:

Section 106 Consulting Party Status: The project will be evaluated to determine if it will affect historic properties, as required under Section 106 of the National Historic Preservation Act of 1966. If you are concerned regarding the project's effect on historic properties and would like to participate as a Section 106 consulting party, please check the appropriate box below. Consulting parties work together to discuss options, provide multiple viewpoints, and strive to seek common agreement on the incorporation of historic preservation values into the project. (For additional information, contact Tricia Bishop at 937-497-6721.)

□ I request consulting party status as a local resident interested in the history of my area

I request consulting party status because:
