

ICE CREAM &

Neighbors...

What could be sweeter?

KETTERING Board of Community Relations

This summer, the Board of Community Relations will provide 25 servings of ice cream to all approved Kettering block parties. Block parties are a wonderful way to meet and socialize with your neighbors. Visit www.ketteringoh.org/neighborhood-block-parties/ to learn more about hosting a block party in your neighborhood. Once your block party is approved, you'll receive a certificate for your ice cream to be used at the block party at the approved local vendor.

The Board of Community Relations is a volunteer group of Kettering residents whose purpose is to promote and encourage the creation and maintenance of an inclusive community by fostering equal opportunities and respect for all persons.
