The position being filled may not be paid at a higher basic rate than that identified from the Table of Organization. The position being filled may be in another department, division or office from that identified in the Table of Organization, but the total number of positions authorized for the City may not be exceeded.

Such replacement shall be compensated in accordance with this Ordinance at the discretion of the City Manager.

In this respect, the City Manager is bound only by the total authorized positions for the entire Department. Nothing herein contained shall permit transgressions of the rules and regulations as established by the Civil Service Commission.

This authorization confirms the City Manager's authority to continue the practice of crediting service time for vacation leave accrual purposes and transferring unused sick leave balances from prior public service with the State of Ohio or its political subdivisions and other Ohio public agencies, to the extent he deems appropriate. Furthermore, the City Manager is authorized to adopt similar practices for employees having prior public service outside the State of Ohio, or who were previously employed in private sector or federal employment.
- M. Vacation leave shall be accrued on a prorated basis as determined by the City Manager.

- (3) Regular Part-Time employees accrue Vacation Leave at the same rate as Regular Full-Time employees subject to the vacation leave accrual table in Section 302.A.(1); however, such leave is prorated on actual hours worked. Regular Part-Time employees are identified in the Table of Organization (Article I.) as holding Regular Part-Time positions in contrast to Part-Time/Temporary Positions which are seasonal or intermittent.
- (4) Vacation Leave accrued and Vacation Leave taken shall be accounted for on a Vacation Year basis. The Vacation Year extends from the first day of the pay period closest to October 1st of one calendar year through the last day of the pay period closest to September 30th of the following calendar year, however, the City Manager is authorized to designate alternate Vacation Year periods for employees. The City Manager may also extend Vacation Year Periods for employees on a case-by-case basis. An employee may not use Vacation Leave for a period of ninety (90) days after initial appointment or last break in service, unless special exception is made by the City Manager on an individual basis to waive or reduce this period.
- (5) An employee may carry accumulated Vacation Leave forward to the next Vacation Year. The total amount of accrued Vacation Leave may not exceed thirty (30) days at the beginning of any Vacation year, except that when an employee in Pay Grades 3 through 54, 80 through 82, 100 through 112, 200 through 211, 304 through 306, 401 through 406, 504 and 505, 605 through 606, and 705 through 724 has provided written notice of her/his commitment to retire on a specific date, in which case no limit shall be placed on the accumulation of his/her vacation leave from the date of receipt of such notice of her/his retirement date or for the period of one year preceding her/his retirement date, whichever is shorter. Vacation Leave actually taken during any Vacation Year may be charged to vacation leave accruing during such Vacation Year without regard to the thirty (30) day limitation. Accrued Vacation Leave in excess of thirty (30) days (three hundred thirty-six (336) hours for Firefighters, Fire Captains

and Fire Battalion Chiefs working fifty-six (56) hour average workweeks) is dropped and lost at the end of the last day of each Vacation Year.

- (6) When an employee reaches an anniversary date entitling the employee to an increased rate of accumulation, he shall be credited with the increased rate at the start of the pay period closest to the anniversary date. Eligibility to use this additional accumulation begins as soon as accumulation begins.
- (7) To provide flexibility in vacation scheduling, employees with over one year's service shall be permitted, at the discretion of the City Manager, to obtain up to ten (10) days of Vacation Leave credit in advance of accrual. Advance credit, however, shall be covered by Vacation Leave accrual by the end of the Vacation Year, unless special exception is made by the City Manager on an individual basis to extend the allowable time period to cover advance credit by Vacation Leave accrual. The City Manager is authorized to make special exception, on an individual basis, to waive or reduce the one-year service requirement for authorizing an advance of Vacation Leave credit to an employee. The City Manager may authorize employees to contribute earned vacation hours to an account for utilization by other employees or employee groups to fulfill the obligations of collective bargaining agreements.
- (8) The primary purpose of Vacation Leave is to provide employees the opportunity for rest and recuperation. Therefore, it is expected that employees will normally schedule one vacation period per year rather than accumulate Vacation Leave from year to year. Although scheduling of employee Vacation Leave shall be the responsibility of department directors and chiefs and shall be consistent with an efficient work schedule, the requests and needs of employees shall be given due consideration.
- (9) Whenever an employee shall leave the City's employ, he shall be entitled to remuneration for the amount of unused Vacation Leave he has accumulated except for employees who leave the City's employment before completing six (6) months of service.

## B. SICK LEAVE

- (1) Regular Full-Time employees accrue Sick Leave at the rate of 15 days, or 120 hours per year on a prorated basis as determined by the City Manager. Fire Battalion Chiefs assigned to fifty-six (56) hour workweek schedules accrue Sick Leave at 1.4 times the normal rate or 168 hours per year. When a Fire Battalion Chief is transferred to a fifty-six (56) hour workweek schedule any balance of Sick Leave will be multiplied by 1.4. When a or Fire Battalion Chief is transferred off a fifty-six (56) hour workweek schedule, any balance of Sick Leave will be multiplied by five-sevenths (5/7). The total amount of accrued Sick Leave for Fire Battalion Chiefs in Pay Grade 606 on a fifty-six (56) hour workweek schedule may not exceed 2,912 hours. The total amount of accrued Sick Leave for employees on a 40 hour workweek schedule in Pay Grades 3 through 54, 100 through 112, 606, and 705 through 724 may not exceed 2,080 hours. Regular Part-Time employees accrue Sick Leave at the same rate as Regular Full-Time employees; however, the amount of leave accrued is prorated based upon actual hours worked. Employees who are ill and have exhausted all accrued Sick Leave may be granted, at the discretion of the City Manager, up to ten (10) days of Sick Leave credit in advance of accrual. Advance credit, however, shall be covered by Sick Leave accrual within one 12-month period, unless special exception is made by the City Manager on an individual basis to extend the allowable time period to cover advance credit by Sick Leave accrual or to waive the requirement for repayment of advanced Sick Leave.

- (2) Sick Leave is not to be used as vacation or time off. The City Manager or the City Manager's representative may at any time request a doctor's certificate as proof of illness before Sick Leave compensation is paid.
- (3) One-half of all accumulated Sick Leave shall be paid to a designated beneficiary upon the death of a current employee, except that no more than 260 days sick leave accumulation shall be counted in computing death benefits for the beneficiary of an employee eligible to accrue sick leave. Such payment will be in a lump sum based upon the employee's hourly rate of pay at the time of death (excluding any premium pay). If there is no valid written designation of beneficiary on file, or if the designation is for any reason ineffective, the payment shall be made to the employee's estate except that the City may authorize the payment of such amount to any one or more of the surviving spouse, adoptive parents, lineal descendants by adoption, or blood relatives of the employee, or a beneficiary to receive payments after the death of the employee under the State Retirement System, and any such payment shall be in complete discharge of liability with respect to the amount so paid.
- (4) At retirement an employee who has accumulated fifty (50) or more Sick Leave days may convert one-third of all accumulated Sick Leave days in excess of fifty (50), but not more than 260 days, to a lump sum payment. A Fire Battalion Chief's Sick Leave will be computed on a forty (40) hour workweek basis at retirement so as to apply these provisions. These provisions do not apply to service separations other than retirements.

C. INJURY LEAVE

1. Leave with pay may be granted by the City Manager for service connected occupational illness or injury. Compensation for lost time received by the employee from the Bureau of Workers' Compensation and/or the Industrial Commission shall be paid to the Finance Director for such times as the employee received full wages from the City.
2. The City Manager may authorize the Finance Director to advance payment to a Part-Time Firefighter, who was injured in the line of duty, in an amount approximating what the City projects Workers Compensation coverage should be.
3. Injury Leave provisions also apply to Regular Part-time employees.

D. FUNERAL LEAVE

Up to three (3) days Funeral Leave may be granted when a death occurs in the immediate family of an employee, except that up to five (5) days may be granted in the event of the death of an employee's spouse, child, stepchild, parent or parent-in-law. For the purposes of this ordinance, an immediate family is interpreted to include spouse, parent, child, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparent, grandparent-in-law, stepchild, grandchild, half-brother, half-sister, or other relative living in the same household. One (1) day's funeral leave may be granted when the death is of a more distant relative. The City Manager may establish different Funeral Leave schedules to accommodate special work schedules or circumstances. Funeral Leave provisions also apply to Regular Part-Time employees.

E. MILITARY LEAVE

1. Short Term Military Leave

a. All Regular Full-Time employees are entitled to leave to perform military duty in the uniformed services, either state or federal, for up to 22 eight-hour work days or 176 hours in any calendar year. An employee taking such military leave shall receive the difference between his/her military pay and his/her regular pay for the period of military duty upon presentation to the Finance Director of satisfactory evidence of military pay. The City shall continue to provide group medical insurance and group life insurance coverage during the employee's military leave. During such Short Term Military Leave, an employee shall be considered to be on a leave of absence without separating the employee from their public service position.

b. These Short Term Military Leave provisions also apply to Regular Part-Time employees on a prorated basis.

2. Extended Military Leave

a. All Regular Full-Time employees are entitled to leave to perform military duty in the uniformed services, either state or federal. Any absence beyond that provided for in Paragraph E. 1. a. of this Subsection, that is not otherwise covered by a City approved paid leave of absence, may result in a separation from the employee's public service position until he or she returns to employment with the City of Kettering. Such leave shall be known as "Extended Military Leave."

b. Regular Full-Time employees called to begin active service in the uniformed services pursuant to an Order by the President of the United States, an Act of Congress or by action of the Governor, shall receive the following Extended Military Leave benefits, subject to the following limitations:

i. Any questions regarding an employee's eligibility for Extended Military Leave benefits or the procedures to be followed, shall be subject to the City Manager's authority.

ii. An eligible employee's Extended Military Leave benefits, paid leave and City-provided group medical insurance coverage, will continue throughout the duration of their active military duty, not to exceed a period of 24 months from the commencement of his/her Extended Military Leave. The extension of City-provided group medical insurance coverage may be subject to restrictions by the insurance carrier, insurance contract or other medical plan documents.

iii. Payment of paid "Military Leave" to an eligible employee on Extended Military Leave, shall be in an amount equal to the difference between the employee's regular wage as a City of Kettering public employee and the sum of the employee's gross military pay and allowances received for the period of military duty, contingent upon presentation to the Finance Director of satisfactory evidence of military pay. The Finance Director is authorized to make

estimated advance Military Leave payments in the administration of this provision.

iv. Eligible employees may elect to receive continuation of City provided group health insurance coverage, including eligible dependent coverage; however, such coverages are subject to the same exclusions and limitations currently in effect by the carrier or as may be placed in effect by the carrier subsequent to the passage of this Ordinance. In a similar manner, the City Manager may, at his or her discretion, authorize eligible employees to receive the continuation of other insurance benefits. The premium cost for such coverage shall be paid by the City, to the same extent such premium costs are paid for by the City for other similarly classed employees.

c. Except for as provided in Section 302. Authorized Absence, Subsection E. Military Leave, no other Extended Military Leave benefits are provided.

3. Authority - The provisions of Section 302. Authorized Absence, Subsection E. Military Leave, are intended to entirely replace the provisions of O.R.C. Section 5923.05.

Sick Leave may be used under the conditions set forth in Policy No. 301: Sick Leave. Unless supported by satisfactory medical evidence, sick leave for childbirth will not be available beyond six (6) weeks after the birth of the child(ren). Earned Vacation Leave, Personal Leave and EDOs may be used at any time during the course of the pregnancy, and/or following the birth of the child(ren), in accordance with Policy No. 302: Vacation Leave, and Policy No. 303: Personal Leave and EDOs.
