Registration is open

March 29, 2021.

Space is limited.

*Opens April 26 for non-residents

Does your child require an ADA modification?

The City of Kettering understands the Americans with Disabilities Act requirements. We invite participation by people with disabilities, alongside people without disabilities, in our programs, sites, and facilities. The *Summer Camp Modification Request* form is available at all Kettering Parks, Recreation and Cultural Arts front desks and the Summer Camps Information Hub on www.playkettering.org. Please fill out and return to the front desk or email to KettPRCA@ketteringoh.org after you have registered for the camp.

We want your child to begin the program on time. The sooner we know about your child, and how we can support your child in our programs, the more likely your child will start the program on time. However, if delays in communication occur, we will delay the start of program participation. Please register early & submit the request form early!

Kettering Safety Village

Teaching basic concepts of traffic safety and providing injury prevention awareness and life safety skills for children entering the kindergarten grade level.

What is Safety Village?

Kettering Safety Village, sponsored by the **Dor-Wood Optimist Club**, is a week-long transportation and life-safety program for children who are entering Kindergarten and 1st Grade in August 2021. The cost is \$20.

The **City of Kettering's Engineering Department Safety Section** in collaboration with **Kettering City Schools** is proud to operate this program designed to teach our youngest citizens how to be safe.

Safety Village instructors are joined by Kettering Police, Fire and School personnel to provide age-appropriate classroom instruction on a variety of safety topics. Children get to practice and reinforce what they've learned at our indoor Safety Village, with child-size replicas of streets, intersections and buildings.

Children also participate in a variety of additional activities, including a "Safe Walk" in a neighborhood. Through classroom instruction and hands-on experience, young children will begin to develop safe habits for a lifetime.

Children must be able to use the restroom without help. No snacks/drinks are provided, but there will be restroom breaks. Children should bring a bottle of water.

Police & Fire Visits

Kettering Police and Fire Departments help teach the students safety lessons in a fun and exciting way!

*In response to **Covid-19**, we are limiting class size, doing extra cleaning and setting up to allow for social distancing. Since the program was canceled in 2020, registration is open to students entering Kindergarten and First Grade in August 2021. Face masks are required for all participants, volunteers, staff & instructors.*

Registration

Register for Kettering Safety Village online at www.playkettering.org or in person at the Kettering Recreation Center, 2900 Glengarry Dr.

Print out the registration verification and bring a copy on the first day of class.

For questions regarding registration, please contact the City of Kettering Parks, Recreation and Cultural Arts Department by phone at 937.296.2587 or KettPRCA@ketteringoh.org by email.
