Background Check Information

The City of Kettering conducts thorough court and BMV background checks for this program. Please understand that completing this form does not guarantee that you will be named coach of a team. You may not assume coaching responsibility until that check is returned and you are cleared to coach. The results of your background check may impact your ability to serve as a volunteer coach.

We encourage you to get people involved with your team! Ask parents to help you at practice, sign up for snacks or even having them help on the bench for players not on the court! The success of this program is credited to the wonderful people who make it happen—YOU!

We are so excited to have you on board with us this season!

GOOD LUCK from your Youth Sports Staff!
