Inclement Weather at Adventure Reef Water Park

Adventure Reef Water Park must close whenever lightning or thunder occurs. The water park will close for 30 minutes following each occurrence. Should there be 90 – 120 minutes of continuous inclement weather, the water park will close. The water park will close on days that the temperature is below 70 degrees or the number of patrons drops below 25 paid admissions. Please keep in mind that we do not offer bad weather refunds; we will however offer a coupon to those guests that are still here when the decision to close the water park is made.

Please call the Inclement Weather Hotline at 296-3282 or check the Kettering Recreation Complex Facebook page for information on cancellations.
