INCLEMENT WEATHER AT THE WATER PARK

When Adventure Reef Water Park is open for public swim, the Water Park and Main Pool & Spa area will close whenever lightning is seen or thunder is heard in the immediate area. The Water Park will delay for 30 minutes following each occurrence. When bad weather hits, we ask that you gather all of your belongings and proceed to the Water Park Bath Houses. If inclement weather continues for 90 to 120 minutes, the Water Park will close for the day.

Additionally, the Water Park will close on days that the temperature is below 70 degrees at opening, or if there are less than 25 people in the park during open hours. Please keep in mind that we do not offer refunds for inclement weather.

Be sure to check the Kettering Recreation Complex website page at www.playkettering.org for up to date information on cancellations or closings.
