

FALL 2018

Ice Skating

The Kettering Ice Arena offers 8 months of ice each year. Our season begins August 27 and continues through the first week of May 2019. The Kettering Ice Arena is a municipal facility dedicated to our citizens and to clubs and organizations in Kettering and surrounding areas. Our goal is to provide a wide range of recreational activities for all ages. We currently have organizations that provide hockey, figure skating and synchronized skating opportunities. We can accommodate the beginner through competitive skater with our lesson programs and various open-skate sessions.
