

Corporate Fitness Programs

“It pays to play!”

Your membership provides access to the two best fitness centers in Dayton, the **Kettering Fitness & Wellness Center** (at the James S. Trent Arena) and the **Kettering Recreation Complex**.

Both facilities offer a great variety of weight and cardio equipment, individual fitness programs, wellness programs (educational and screening/assessment), and indoor running/walking tracks. The Kettering Recreation Complex also offers comprehensive land- and water-based group exercise programs.

Our staff is equally qualified to deal with special needs cases, follow-up and physician/therapist-directed rehabilitation, and/or personal training. We employ two Exercise Physiologists and a staff of degreed, certified exercise specialists and personal trainers.
