WATER ACTIVITIES FOR FITNESS

The Kettering Recreation Complex offers a variety of fitness activities that take place in the pool. Descriptions of these activities follow.

AQUA INTERVALS: Alternate intervals of exercise and recovery for overall fitness conditioning, especially the cardiopulmonary system.

FIT WAVES: Makes waves as we workout core muscle groups and get your heart pumping! Classes take place in the Deep End and uses a variety of (provided) equipment.

TONE AND TALK: This class will give you gentle stretching and cardio in a supportive environment. Deep or shallow is specified on schedule.

MOVE AND GROOVE: Energetic aerobic moves in shallow water set to fun upbeat music with attention to strengthening using various (provided) equipment.

SHALLOW WORKOUT: This class consists of aerobic routines, stretching, and toning performed in chest to shoulder deep water. No swimming skills necessary.

STRONG AND FIT: Strength, cardio, and flexibility are all components of this awesome deep water class.

H2O CARDIO CROSS TRAIN: Enjoy a wide variety of exercises taking place in deep and shallow water. Each day will be different from the last for a well-rounded exercise experience.

LAP SWIMMING

Reassess your goals and increase your mileage as you swim for fitness, a leading form of cardiovascular exercise! Remember there are 72 lengths to a mile and the water is 84 degrees in the Kettering Recreation Complex Pool.

All lanes are offered on a first-come basis. Please be courteous to all swimmers. If there are two swimmers in a lane, it shall be split in half with each swimmer using one side of the lane, or you may swim in circles. If you are the second swimmer to join a lane, discuss with the first swimmer how you will share the lane. If there are more than two swimmers please circle swim counter clockwise. If the swimmer behind you is faster than you please stop at the wall to allow them to pass. Whether you are circle swimming or split lane swimming, it is important to stay to the side of the lane and not swim too far in the center. The lane closest to the lifeguard is reserved for swimmers with disabilities. The lanes furthest away are designated for our fast swimmers. Please do not swim laps during classes or programs outside the lane lines.

FIT SWIM / AQUA JOGGING / AQUA WALKING

Fitness comes in many forms for different people. Not everyone is a traditional lap swimmer. Some prefer to use an aqua jogging belt and attain their fitness goals or rehab in the form of aqua jogging/walking.

We encourage aqua jogging/walking during our normal lap swim times. We ask that all "fit swimmers" please share lanes as needed and go in the direction of the lanes rather than across the lanes. Aqua Jogging is also permitted in the shallow or deep end if the opposite end of the pool ONLY is being used for a Water Workout class.

2020 WATER WORKOUT DROP-IN PRICES

	Res.	Non-Res.
Youth (11-17)	\$4	\$8
Adult	\$5	\$10
