

2021 Kettering Youth Volleyball

League Rules

*All games will be governed by Ohio High School Athletic Association rules with the following exceptions:

1. Servers may serve inside of the regulation end line (only if necessary) to serve the ball over the net, but no further than 5 feet inside the line.
2. The server may have a 2nd attempt to complete a successful serve if their first serve is unsuccessful. After their first successful serve, the next unsuccessful serve will result in a point for the other team and the other team serving.
3. Games played to 25 with rally scoring. Must win by 2 points or first team to 30 points.
4. A server is only allowed to serve up to five times in a row. If a server serves five points in a row the team will rotate and the next server on that team will then serve.
5. Players may sub in right before their team starts their first serve after a won point and the players rotate positions.
6. Calls will be made within reason and made into coachable moments as a judgment call by the official.
7. After the game has gone 55 minutes the official will call the 5 minute warning. After 60 minutes of play, the official will end game and the set is over with the score as is.
