

TreeFest 2022

POSTER ART CONTEST

Plant Trees...Plant Hope!

Our 15th Annual TreeFest takes place on April 16, 2022. Over those many years hundreds of trees have been planted in Kettering Parks during this event and some of them have produced even more trees. We want to celebrate this milestone by hosting a poster art contest for middle school and high school aged students. Rosewood Art Center and the Habitat Environmental Center combine their love of nature and art to bring you this opportunity to express yourself on paper and take a stand for TREES!

The overall winner's artwork will be used to promote TreeFest 2022 and will appear in print and other media outlets. The winning artist will receive a ball and burlap tree and a framed copy of the poster with their artwork. The top placer in each of the grade categories will receive a sapling. Select entries will be displayed at Rosewood Arts Center the month of April in the Dilgard Nelson Gallery. Winning entries will be on display during TreeFEST 2022 at the Habitat Environmental Center.

Entries will fall into one of three categories:
Grade 6 – 7, Grade 8 – 9, or Grade 10 – 12
