Did you know that the Earth's surface is about 71% water? With only 29% of the Earth's surface giving us a place to stand, it's important to learn how to swim. You are never too old or too young to learn to swim! Consider participating in our Kettering Aquatic Swim Lesson Program and check out our water safety articles for tips on teaching children, adults, and even those that are scared to be in the water the basics of water safety.
