

Build Your Evaluation Tool

Environment

If we can predict we can prevent . How can we alter the current environment to make it safer? More lighting? Move furniture?

Teach Positive Behavior

What would we like to see our youth doing?
Safe, Respectful and Responsible

Recognizing

Increase positive genuine interaction with youth and redirect misbehavior. How can you set your staff up for this?

Set the Goal

What are the priorities? What would make the biggest difference for you and your staff?

Changes

Places for Visual Cues

Ways for more positive interaction
