ROSEWOOD MURAL PROJECT
Blooming Through the Waves, 2022
Artist: Atalie Gagnet
Assistant: Chase Melendez
Apprentices: Yara Chaouali, Haley Franklin, Lily Ruekhaus

Titling the work, Yara wrote: “I came up with Blooming Through the Waves because I feel like it encompasses both parts of the wave and the flowers. It shows the flowers blooming through the colorful waves. I kind of like to think of it like the flowers bloomed in the waves despite the adversity it faced. Kind of like a community together.”

Blooming Through the Waves was commissioned by CitySites Public Art Program with the City of Kettering with support from the Ohio Arts Council and the Montgomery County Arts and Culture District through Culture Works.
