EMPLOYEE SPOTLIGHT: KELLY MALONEY

I joined the PRCA team in September as a Part-Time Communications Coordinator (Digital Analyst) and it's been great getting to know such an amazing group of people! I am from Cleveland, OH, but I've been in Dayton every school year since 2018, living on campus at the University of Dayton. I graduated this past May with a Bachelors of Science in Marketing and I am still at UD, working towards a Masters in Business Analytics. I enjoy spending free time with my friends, going to trivia and bingo nights, and any outdoor activity like running and hiking. I love being a part of the Kettering community and feel so lucky to be welcomed into PRCA!
