## EMPLOYEE SPOTLIGHT: CAMERON GAMBLE

Hey, everyone! I'm Cameron and I was recently hired as Kettering's new Youth and Family Program Coordinator. I previously worked for a neighboring city for over three years where I helped out in all areas of their parks and recreation department. My favorite part was hosting youth programs and I decided that I wanted a career specific to this. Since April, I've had the joy of hosting programs for kids

and their families here in Kettering. Being able to provide a wide range of fun activities is the highlight of my position and I enjoy working with the community. I hold a degree in Education from Western Governors University and hope to earn an MBA in the future. Outside of work I like to hang out with my friends and family, attend car shows, and compete in long distance runs. If you see me around, feel free to say hi!
