Lap Swimming

Lap swimming is great exercise for people of all ages. There are 72 lengths to a mile in the Kettering Recreation Complex pool.

Etiquette:

Lap lanes are offered on a first come basis. Please be courteous to all swimmers. If you are joining a lane that is already occupied please stop and discuss how you will be sharing the lane with those who are already swimming. When more than two people are sharing a lane please circle swim counter clockwise and stay as far to the right of the lane as possible. If the swimmer behind you is faster, allow them to pass by stopping at the wall. Lanes closest to the lifeguard are designated for our slower swimmers and our first lap lane is reserved for individuals with disabilities. Do not lap swim outside of the lane lines during programs or Open Swim. We do NOT allow lap swimming during swim lessons.

Youth:

How do you know if your child is ready to start lap swimming? If your child can swim 50 yards continuously on their stomach using their arms and legs with some form of rhythmic breathing, tread water for 60 seconds in deep water without panicking; and understand lap swim guidelines including how to circle swim, then they are ready to utilize the lap lanes at our Main Pool.
