

Do you have experience directing a choral group?

Can you play a keyboard?

Would you love to be part of the fun that is the Kettering Senior Show Choir?

We are looking for YOU!

The Kettering Senior Show Choir is actively recruiting a director-accompanist. This lively group of senior adults ages 60 and over meets one day a week to rehearse and performs several times a year at area assisted living facilities, churches and other agencies.

The director is responsible for developing a seasonal list of songs, leading the weekly practices and performances. This person must be available during the day for these events. This is a volunteer position with a small annual stipend.

Call or stop by the Lathrem Senior Center at 2900 Glengarry Drive, 937-296-2480 for more information.
