# Town of Loomis Budget 2017-18

## About the cover...

Back in 2015, the Town began working with the Loomis Basin Chamber of Commerce to create a “branding strategy” for the Town.

Loomis, at one time, was the hub of the fruit packing industry: most of the fruit in northern California passed through Loomis. Because of this history of fruit packing and the successful repurposing of the High Hand fruit shed on the south, and the Blue Goose fruit shed on the north, the Fruit Shed branding was obvious.

There are currently two related projects underway.

First, the Chamber contracted with various local artists to recreate some of the fruit labels in large murals which have either been affixed to, or painted directly on, buildings in the downtown area. The collage on the front of the budget is made up of photographs of 12 of the murals. Additional photographs of the murals can be found throughout the budget document.

Second, the Chamber has replicated 20 of the original fruit labels in 12 inch by 12 inch ceramic tiles. These tiles will be placed throughout the downtown area. A self-lead walking tour will be available for visitors to the area see the tiles, the murals and the remaining fruit sheds.

# TOWN OF LOOMIS

June 30, 2017

Honorable Mayor and Town Council

The attached Budget for the Town of Loomis for Fiscal Year 2016/17 has been prepared in compliance with the State of California Government Code. Staff prepared a workable document reflecting the manager's recommendations for review and consideration at the regular Town Council meeting on June 13, 2017. This document is a compilation of the recommendations and the consensus derived from discussions at the council meeting.

The budget document presents a balanced general fund budget, with revenues and expenditures projected at \$4,632,338 and \$4,498,538, respectively. This budget includes \$752,038 from reserves designated for use for street and road improvements included as revenue. Not including the use of designated reserves, this budget projects an 15.0% increase in revenue and a 16.5% increase in expenditures from the prior year budget.

## Budget Highlights

### Revenues

Revenues are estimated based on prior year experience and State generated estimates. The 2017/18 budget revenues are projected at approximately 103% of prior year actual amounts. See the detailed analysis, below, for explanation of these estimates.

General Fund Revenues are available for the Town's day to day operations, without restriction to specific projects or programs. The Town of Loomis receives almost two-thirds of its revenues from property and sales taxes. The majority of Revenue from Other

Agencies comes from State revenues to replace Motor vehicle fees and sales taxes retained by the State.

The total current value of real property within the Town limits assessed by Placer County as of June 30, 2016 was \$996,344,089. The County collects 1% of the assessed value, after reduction for Homeowner Exemptions. For 2017/18, this amount is approximately \$9,669,805. This is a 9.5% increase over the prior year.

Of the \$9,669,805 collected, major portions are allocated by the County to school districts, special districts and County administration. The Town receives approximately 11% of the taxes collected.

As stated, above, property values have increased by 9.5% in the last year and 32.0% over the past four years. A large portion of previous year's increases was for revaluations of property values reduced during the recession. Such revaluations are not restricted to Proposition 13 limits and can be quickly returned to their pre-recession values. The prior year's 9.5% increase came mostly by property revaluations that occur when they are sold for more than their previously assessed values. We believe this trend will continue, but not to the extent of last year.

Last fiscal year saw the final unwinding of the "Triple Flip." The Triple Flip was a maneuver by Governor Schwarzenegger that traded property taxes for one quarter of the 1% Bradley-Burns sales tax to create a dedicated revenue source to pay for revenue bonds. These bonds are now paid in full, and the Triple Flip has ended. For parts of 2016/17, this decreased the Property Tax in Lieu of Sales Tax, and returned to the regular 1% Bradley-Burns rate. It is being referred to as "unwinding" because it was phased out throughout the year. That made making an estimation of Sales Tax revenues difficult. Now that is over and we have conservatively budgeted \$1.2 million for sales tax this year. This year we will begin to collect the quarter cent transaction and use tax which is to be used for the Town library and other Town projects. We are budgeting that based off the regular tax, we should receive \$250,000 in these funds.

The Town has franchise agreements with various companies that supply energy, refuse disposal and cable television. Pacific Gas and Electric Company (PG&E) pays the Town 3% of its receipts generated within the Town limits for the right to run electric and gas lines within the Town. The high price of fuel oil over the past few years has caused the utility customers to conserve, resulting in a decrease in revenue. The gas and electric franchise accounts for about \$90,000 of the total franchise revenue budgeted.

The refuse company with which the town has a franchise agreement has consistently raised its rates approximately with the Consumer Price Index. The refuse disposal franchise brings in the lion's share of franchise revenue, at \$134,000 budgeted for 2017/18.

The cable television franchise usually brings in about \$37,000 per year.

Considering all the factors above, the 2017/18 budget for franchise fees is approximately equal to the prior year projected total.

During past few years, the Town has had a pleasant increase in new home construction. Currently, there is only one subdivision in the town limits with an inventory of buildable lots. These are high-end lots and at this writing we have indications that a hand full of lots will be built out. Any other new home construction would be "in-fill" in existing neighborhoods. We are projecting levels similar, but slightly less than last year's construction levels.

Revenue from Other Agencies includes any General Fund revenue from Federal, State or other governmental agencies. In the past, 90% to 96% of this revenue source had been from Motor Vehicle License Fees (VLF) that vehicle owners pay to the Department of Motor Vehicles. VLF was allocated to municipalities on a per capita basis, and represented the third largest source of General Fund revenue for the Town.

## Expenditures

The Town supplies its citizens with police protection, land use planning, and infrastructure maintenance and capital projects. More than one-third of the General Fund budget goes into safety services, which includes contracts with the Sheriff's department for police, the Loomis Fire Protection District for wild land fire protection and Placer County for animal control.

**Cost Allocations.** The Town of Loomis directly allocates costs to the funds and departments that directly benefit from those costs. Payroll costs are allocated during the payroll process, based on factors calculated during the budget process. These factors come from a review of each staff position and its related functions. All payroll costs and benefits are allocated using the same factors. Facility overhead costs are allocated to the departments based on percent of square footage used by each department. Both the payroll factor and the overhead factor are used to determine "billing rates" for each employee. These rates are used to apply costs, by fund transfer, to special projects and maintenance districts and for billing outside entities using our staff facilities.

**Staffing** As we began the fiscal year, we contracted for planning services with an outside agency. After reviewing the costs and the ability to control the work flow, we cancelled the contract and hired a part-time permanent employee instead. In June of 2017, the Town hired a new Town Manager.

The Town of Loomis pays, in addition to wages and the related employer taxes, a portion of the employee share of retirement cost, medical and dental insurance up to \$1,727 per month per employee through a Section 125 Cafeteria plan, and has provided a Section 457 deferred compensation plan (employee contributions only – no employer match). The Town also provides \$50,000 of life insurance to each full-time employee.

The employees are members of the California Public Employee Retirement System (CalPERS), participating in the 2% @ 55 plan for Miscellaneous employees. CalPERS' retirement plans are similar to Social Security, in that there are employee withholdings and employer contributions. Until now, the Town has elected to pay both the employer and employee contributions, without withholding from the employee's pay. Effective July 3, 2015 the employees have agreed to begin paying the employee share, phased in over three years.

In the 2% @ 55 plan, a member retiring at age 55 will receive an annual retirement income equal to 2% of the average of the employee's highest three years income, times the number of years the employee was in the plan.

The Town's share of contributions for 2017/18 is 8.4818% of employee base pay.

**Capital Outlay Items.** The Town's major projects for 2017/18 include the Town Center implement plan, phase 1 – Taylor Road from Horseshoe Bar Road to Oak Street. During the previous year, Webb Street was reconstructed and repaved.

### **Changes in Funding and Levels of Service**

In spite of the staffing issues noted above, no change in level of services is expected.

The budget document presents a balanced general fund budget, with revenues and expenditures projected at \$4,632,338 and \$4,498,538, respectively. This budget includes \$752,038 from reserves designated for use for street and road improvements included as revenue. Not including the use of designated reserves, this budget projects an 15.0% increase in revenue and a 16.5% increase in expenditures from the prior year budget.

### **Debt**

The only debt the Town has is two lease purchase agreements on the copy machines. In the early years of incorporation, the Council set aside reserves against the possibility of future recession. The Town has always "lived within its means," going without, rather than financing with debt. Even now that major projects are being planned; grant funds and other revenue sources are being sought out, rather than acquiring debt.

### **Recent Accomplishments**

The Town rebuild Webb Street; a heavily used connector street between King Road and Taylor Road. The Town had received an ATP grant for \$1.436 million to implement the Town Center plan, redesigning and reconstructing the downtown area. The project was bid and awarded and construction began at the end of May, 2017.

### **Current Issues**

Developers are actively pursuing development in a number of locations throughout the Town. Unfortunately, the sewer district that serves the Town failed to follow its plan for allocating sewer hookups which has left the Town unable to accommodate even the smallest development. Town management is working with the sewer district and developers and should have this resolve within the next couple years.

### **Current Priorities**

At a previous strategic planning meeting, the Council reviewed the many issues facing the Town. Below are the goals they adopted for the Town:

- Establish the Downtown Core business district as the area of central focus and activity for the Loomis Basin.
- Match or increase revenue to meet the mission and goals to be fiscally sustainable.

- Improve and increase mobility and circulation for all modes of movement.
- Improve communications and understanding among all Town leaders and stakeholders.
- The Council believes it should lead other communities in promoting and achieving sustainability.

### **Gann Appropriations Limitation**

The California Constitution, Article 13B, requires that each local government set an appropriations limit, which is the maximum amount of tax revenue that may be collected and spent. Each year, that limit is adjusted by an inflation factor based on population growth and the change in California per capita income. As can be seen in Appendix B, Budget Resolutions; the appropriations subject to the limit generally total less than the 40% limit. It is highly unlikely that the Town of Loomis will ever reach the limit since the inflation factor has always been greater than the percentage increase in the related revenue. The projected population growth for Placer County will most likely keep it that way far into the future.

### **The Future**

The Town of Loomis' future is uncertain:

- The State of California continues to increase mandates on the Town to provide services yet in can reduce the Town's funding to balance its own.
- Property and sales taxes make up more than 60% of the Town's general fund revenue. The Town's top sales tax producers all rely on new home construction or major home remodeling. Property taxes can only increase through a vote of the people or by property development or resale.
- State controls over local revenues seem to be increasing. Although commitments have been made by the State to

guarantee local funding, legislations still provides for forced loans from local to State Government.

- Retirement costs are expected to rise by 25% over the next six years.

For local governments to maintain control of their interests, they need to continue to push for Constitutional protection of their revenue sources so that revenue raids by the State can no longer take place.

### **Conclusion**

Although the future presents the challenge of finding and securing new or improved sources of revenue, the Loomis Town Council and Staff have demonstrated, for years, the ability to provide good local government, with minimal resources. The budget as presented allocates funds conservatively and appropriately, allowing the Town to accomplish goals set by this Council, and prior Councils: to provide a safe and enjoyable community with a rural atmosphere.

Respectfully submitted,

Sean Rabé  
Town Manager

Roger Carroll  
Finance Director

**PROGRAM DESCRIPTION**

The Town Manager administers policies and programs as directed by the Town Council.

Staffing level: 1.75 full time equivalent employees

**PROGRAM OBJECTIVES**

- Provide assistance to Town Council in creating policies and programs responsive to the community's needs.
- Provide and promote effective leadership for all employees in order to accomplish the Town's mandated functions and respond to the policy decisions from the Town Council.
- Coordinate the Town's response and actions as related to neighboring jurisdictions and State and Federal legislatures.

**PROGRAM DESCRIPTION**

This cost center represents budget items formerly reported under various department headings, including Town Council and Planning, that have similar relevance to community services. Each item, individually does not warrant its own budget cost center, so has been grouped on this page.  
New with the 2017-18 budget is an allocation to the Loomis Library Community Learning Center. This is funded by a revenue collected from a 1/4 cent sales tax approved by the voters in the 2016 General Election.

**PROGRAM DESCRIPTION**

The Town of Loomis contracts for all of its safety services.

Police service is provided by contract with the Placer County Sheriff's office. We have one officer dedicated to the Town throughout the day, seven days per week. During the overnight shift, the Town shares an officer with the surrounding county area. The Town also contracts for a traffic enforcement officer for 40 hours per week.

Animal control service is contracted with the Placer County Animal Control.

Fire protection and emergency medical service is provided by the Loomis Fire Protection District, which is its own, self administered special district. They require no funding from the Town, as they receive their own property taxes and assessments directly through the County. The Town, though, is responsible should a wild fire within its limits. In such a case, the Fire District would bill the Town for the cost of containment within the Town limits. We fund \$10,000 each year just in case such a fire takes place.

**PROGRAM DESCRIPTION**

The Building department provides for construction regulation and inspection. One Town staff employee supports a contract building inspector. Some additional activities, such as plan checking are sometimes contracted out.

Staffing level: 0.20 full time equivalent employees and 0.40 contract employees

**PROGRAM OBJECTIVES**

Provide inspection for building construction for compliance with local and statewide requirements and standards.

**PROGRAM DESCRIPTION**

The Transportation Fund tracks the restricted revenues received for street and road maintenance and bus service, and the related costs. There are two main revenue sources. First, funds are received from the State gas tax fund for road maintenance. A second allocation of the State gas tax fund comes to the Town by way of the Placer County Transportation Planning Agency (PCTPA) and must be first spent on transit needs (Bus and Dial-a-ride), with the remainder available for road construction and maintenance. The Town contracts with Placer County for the bus and Dial-a-ride services. Other grants are received and tracked through this fund if they are restricted to similar purposes.

Staffing level: 2.35 full time equivalent employees

**PROGRAM OBJECTIVES**

Provide transit service and maintain a safe and useful road system.

### **The Park Funds**

This fund segregates fees charged on all new residential development. Originally, there was only one fee for park development. During 2005/06 the Town revised its fees and there are now three separate fees for Park Acquisition, for Passive Parks and Open Space, and for Park Development. This fund tracks the fees for Park Acquisition.

\* Quimby In-lieu (for acquisition) - \$2,408.00 per Single Family Residential unit and \$1,596.00 per Multi-Family Residential unit.

\* Park Acquisition fee is \$471 per commercial building and \$349 per industrial building.

In prior years, funds have been granted to local schools to create playgrounds and ball fields.

### **The Park Funds**

This fund segregates fees charged on all new residential development. Originally, there was only one fee for park development. During 2005/06 the Town revised its fees and there are now three separate fees for Park Acquisition, for Passive Parks and Open Space, and for Park Development. This fund tracks the fees for Park Development.

\* Quimby In-lieu (for acquisition) - \$2,408.00 per Single Family Residential unit and \$1,596.00 per Multi-Family Residential unit.

\* Park Acquisition fee is \$471 per commercial building and \$349 per industrial building.

In prior years, funds have been granted to local schools to create playgrounds and ball fields.

\* Park Facility Improvement fee - \$2,888 per Single Family Residential unit; \$1,929 per Multi-Family Residential unit; \$569 per Commercial unit; and \$421 Industrial unit.

### **Drainage Fund**

The Drainage Fund collects fees charged on residential and commercial development. The rates were changed during 2007/08 and are as follows: Residential - \$572 per Single Family dwelling unit and \$356 per Multi-Family dwelling unit; Commercial and Industrial - \$3,007 per acre developed.

As more land is developed, less water from winter storms is able to be absorbed into the ground. This causes an increase in runoff, and the flooding that seems to be more prevalent these days.

The fees collected are used to create facilities that collect, retain, and re-route storm runoff water.

**Low Income Density Bonus**

This fee is charged on all development of five or more dwelling units at the rate of \$750 per developed unit.

The funds are dedicated to housing opportunities for moderate or low income households. In prior years, a portion of the fund was used in combination with Community Development Block Grant Funds to offer low interest loans. There are no planned projects in the current fiscal year.

**Loan fund**

During 2008, the Town Council chose to start a mortgage assistance program funded through Low Income developer fees and revenues from prior Community Development Block Grant loans repaid. Three loans were approved, using all the available funds. As these loans are repaid, the funds will be available to future home buyers.

At this time, none of the loans are expected to be repaid in the near future.

### **Road Circulation Fund**

These development fees were changed during 2007/08. They are \$2,460 per single family dwelling unit; \$1,500 per dwelling unit in Multi-Family residential development; \$3.247 per square foot of industrial development and \$2.238 per square foot of commercial development. The King/Taylor fee was discontinued as the project was completed during the 2005/06 year.

As the Town is developed, it will clearly need more and better roadways. This fund was created by Town Resolution 95-54 with eleven specific road projects, with a total estimated cost (in 1995 dollars) of \$5,175,000.00. The projects include the following streets and bridges: Horseshoe Bar Road Bridge, Brace Road Bridge, Barton Road, Sierra College Boulevard, Horseshoe Bar Road, Wells Avenue, Laird Road, Rippey Road, Bankhead Road and Taylor Road. Please see Resolution 95-54 for more details.

Taylor Road, from King Road to the Town limit was reconstructed during 2005/06 which depleted the funds. Because this project benefits future development, the negative balance was through subsequent impact fees and mitigation payments from development outside of the Town limits.

**Interchange Fund**

This development fee was created specifically for improvements to the Horseshoe Bar Road and Interstate 80 Interchange, as follows: Phase 1 - add left turn lanes and signals and widen on and off ramps (completed in 1996). Phase 2 - Add two additional lanes in a parallel overpass, west of existing. Phase 3 - Replace existing overpass. Total project cost (in 1995 dollars) \$5,227,000.

The Town reviewed and updated the development fees during 2005/06. The new rate is \$1,415 per single family dwelling unit; \$864 per dwelling unit in Multi-Family residential development; \$1,868 per square foot of industrial development; and \$1,288 per square foot of commercial development.

**Community Facilities Fund**

This development fee is collected for the future purchase and/or construction of a Loomis Town Hall.

The fees were reviewed during 2007/08 and increased. The current rates are \$2,488 for each Single Family residential unit, \$1,650 for each Multi-Family residential unit, \$0.488 per square foot for commercial development, and \$.360 per square foot for industrial development.

Funds were used to purchase and remodel the new Town Hall at 3665 Taylor Road.

**Tree Fund**

The Town of Loomis values its trees. The Town adopted an updated Tree Ordinance during the 2014-15 fiscal year. Any lot within the Town that cannot be further subdivided can get a tree removal permit at no cost. Larger lots and developments will have fees negotiated depending on the specifics of the property and the number of trees to be removed.

**Solid Waste Reduction Fund**

State Assembly Bill 939 requires the reduction of solid waste going into landfills through "diversion" - diverting garbage away from landfills and into recycling programs. To give agencies the funds to create and maintain diversion programs, a surcharge is attached to all refuse service. This surcharge revenue flows through to the Town.

Some of these funds are use to pay for a Town clean-up day where residents can bring, at no charge, refuse to dumpsters located at Del Oro High School, rather than have to pay to take it to the dump. This allows for a greater diversion of recyclables away from the landfill.

**Master Plan**

A Downtown Master Plan study was performed. The cost of this study was to be charged against future development. The General Fund paid for the study, so the negative balance in this fund is offset against the General Fund balance. As development occurs a fee of \$852 per acre is charged to the developer and the negative balance decreases.

### **Supplemental Law Enforcement**

State Assembly Bill 3229 enacted the Supplemental Law Enforcement Fund. It was supposed to be a temporary funding source to be used for "front line" law enforcement. For the Town of Loomis, front line law enforcement is the Placer County Sheriff deputies on patrol in the Town limits. In prior years the fund has been used to purchase a radar trailer, a notepad computer, an autofocus camera, alcohol screening devices, hand held radio microphone extenders and an advanced latent print kit.

The State of California included additional local law enforcement funds in its 2001-02 budget. This came to Loomis in the form of two large apportionments; \$100,000 for additional "front line law enforcement" and \$102,048 for "high technology equipment."

At the Sherriff's Office request, the Town has purchased additional patrol car computers, alcohol screening devices, defibrillators, cameras and radar equipment. Toward the end of fiscal year 2000/2001, an additional Sheriff deputy was hired and a patrol car purchased and outfitted with this money to exclusively perform traffic control within the Town limits.

The annual \$100,000 allocation has continued to be funded through additional State taxes and creative State funding swaps.

The Town Council continues to fund the traffic control officer, even though the contract exceeds the available funding, with designated prior year reserves.

Community Facilities District Number One - Hunter's Crossing Subdivision, was organized as a Mello-Roos maintenance district on February 23, 1988. Thirty-nine parcels, located on Brace Road, Hunters Drive, Ash Court and Elm Court are each assessed \$197.10 per year to maintain, repair and replace all curbs, gutters, streets, sidewalks, fire hydrants, drainage facilities, and operate and maintain street lights, over a fifty year time-table.

Unused budget carries forward as restricted fund balance, for use on future maintenance projects.

The Mello-Roos Community Facilities Act of 1982 allows for annual tax rate increases or decreases based on the national consumer price index changes between years, but not more than 7% over the previous year.

Community Facilities District Number Two - Sunrise Loomis Subdivision, was organized as a Mello-Roos maintenance district on December 13, 1988. Twenty-five parcels, located on Terrace Park Way, Lawnview Avenue and Lawnview Court are each assessed \$276.56 per year to maintain, repair and replace all curbs, gutters, streets, sidewalks, fire hydrants, drainage facilities, and operate and maintain street lights, over a fifty year time-table.

Unused budget carries forward as restricted fund balance, for use on future maintenance projects.

The Mello-Roos Community Facilities Act of 1982 allows for annual tax rate increases or decreases based on the national consumer price index changes between years, but not more than 7% over the previous year.

The Saunders Avenue Improvement and Maintenance Districts were organized on January 22, 1991, under the Improvement Act of 1911, to construct and maintain 1,200 linear feet of roadway. The sixteen parcels located on Saunders Avenue were each assessed \$3,701.44. The owners of five of the assessed parcels chose to pay the assessment in full, with the remaining thirteen authorizing the Improvement District to issue bonds representing the unpaid balance to the Town. The bonds were issued at 9% interest per annum, collected semi-annually along with ad valorem real property taxes by Placer County. As of June 30, 2014, all the bonds have been paid off.

The sixteen parcel owners are additionally assessed \$60.00 per year to maintain, repair and replace the street and drainage facilities over a fifty year time-table. Unused budget carries forward as restricted fund balance for use on future maintenance projects.

## RESOLUTION NO. 17- 16

### A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF LOOMIS ADOPTING THE ANNUAL OPERATING BUDGET FOR FISCAL YEAR 2017-2018

WHEREAS, the proposed budget for the Town of Loomis is entitled "Annual Operating Budget, 2017-2018", a copy of which is on file in town hall for public review; and

WHEREAS, the proposed expenditures shown in the summaries of expenditures by fund which is attached hereto as Exhibit A are hereby appropriated to the departments, offices and operations in the amount and for the objects and purposes as set forth in the budget document; and

WHEREAS, it is ordered that two copies of this resolution and the budget document be made available for public review in the Loomis public library and that the budget document be certified by the town clerk and filed in the office of the town clerk; and

WHEREAS, this resolution is required for the orderly operation and maintenance of municipal activities and the usual and current expenses of the town during the 2017-2018 fiscal year beginning July 1, 2017 and ending June 30, 2018;

NOW, THEREFORE, IT IS HEREBY RESOLVED that the Town Council of the Town of Loomis does hereby adopt the budget for the fiscal year 2017-2018.

PASSED AND ADOPTED this 13<sup>th</sup> day of June, 2017 by the following vote:
