BUSINESS

11. **South Placer District Transportation Sales Tax Expenditure and Ballot Measure**
The proposed South County District, if approved by voters in the District, will comprehensively address the gap in local matching funding needs for transportation in the District. Without a local source of funding the South County will continue to fall significantly behind in addressing traffic congestion which has been increasing exponentially over the last few years. Loomis will not be included in the Sales Tax District nor will Loomis receive any distribution of revenue or have a position on the tax district board. However, Loomis will be paying the sales tax when shopping in Rocklin, Lincoln and Roseville and will be using the transportation network and improvements that are part of the district.
Recommended action: Hear presentation, take public comment and approve Resolution approving the Expenditure Plan for the South Placer District for the Cities of Lincoln, Rocklin and Roseville
