1. **FY2017/18 Budget & Strategic Plan Workshop**

This item is an opportunity for staff to provide an update on the budget, share recommendations, and receive feedback and direction from the Town Council on the FY2017/18 Budget

Joan Phillipe, Interim Town Manager, pointed out the following:

- we are 16 years into the General Plan and it will need to be updated by 20 years
- she suggested setting aside funds for the General Plan update and updating development fees
- suggested expanding the downtown masterplan from King Road to the town limits
- planning needs to be increased because of the projects coming forward, such as Costco and the Village

Councilmember Ucovich stated his concerns with roads and bike lanes that need to be improved and would like signage along the freeway.

Jenny Knisley suggested building a water tower for the signage along the freeway.

Majority of council agreed to keep \$200,000 for the General Plan update and \$50,000 for the masterplan.

Councilmember Baker left at 7:20 p.m.

Councilmember Onderko suggested putting aside money for a code enforcement person and looking into selling town properties.

Council agreed to have staff look into selling some of town properties such as Heritage Park, lots on Mandarin Court and WW Moulding.
