We respectfully request your **YES** vote on Measure D.

Measures C and D **protect our small-town character**, plans for our future, and **limits the number of apartments, townhomes and condominiums** that can be built on land adjacent to I-80 and behind the Raley's supermarket center.

Measures C and D **help alleviate downtown traffic congestion** and **prevent future congestion** in Loomis by providing alternate routes and extending roads such as Doc Barnes Drive and Webb Street.

- **Nearly \$2 million in much needed education funding** to the Loomis Union School District
- **Funding to construct and maintain public parks**, including Civic Park next to the library, which will be enjoyed for years to come
- **Funding for our Town's long-envisioned road improvement plan**
- **Paying for increased Sheriff service**

- limit the number of apartments and other high-density housing in Loomis
- alleviate traffic congestion
- fund Loomis schools
- provide increased Sheriff service for Loomis
- preserve space for trails and parks

Loomis residents, businesses, teachers, parents and public safety officials agree that **Measures C and D will preserve our community and protect our quality of life** by conservatively planning for our future.
