

TOWN OF LOOMIS GENERAL PLAN UPDATE OPEN HOUSE WORKSHOPS

The Town of Loomis is hosting two Public Open House Workshops to share information and receive public input to guide the development of the 2020 General Plan Update. This is your opportunity to meet in person with experts and Town representatives on each of the General Plan subject areas, ask questions, and provide your written input on the General Plan Update!

Why are we asking you to do this? We value your input! The purpose of the General Plan is to guide the development and manage and protect the resources of the Town of Loomis. Your thoughts, concerns, and vision are integral to ensuring the General Plan represents the members of this community.

Town of Loomis General Plan Update Open House Workshops

When: Saturday, November 7, 2020 from 11:00 AM to 2:00 PM
and
Monday, November 9, 2020 from 6:00 PM to 9:00 PM

Where: Loomis Train Depot, 5775 Horseshoe Bar Rd, Loomis, CA

In order to protect public health and safety, the Open House Workshops will be held outside the Loomis Train Depot with a series of socially distanced informational stations for each General Plan topic. There will also be an area to write and submit written comments once you have visited the stations. The Town requests that participants wear masks and remain socially distanced during these open house workshops.

Thank you for your participation! Please let us know if you have questions:

Email: GPUUpdate@loomis.ca.gov
Phone: (916) 652-1840
