

Staff Report

TO: Honorable Mayor and Members of the Town Council
FROM: Sean Rabé, Town Manager
DATE: June 9, 2020
RE: Reaffirmation of Local Emergency Declared March 19, 2020

Recommendation

Staff recommends the Town Council reaffirm that the conditions of extreme peril to the safety of persons and property within the Town of Loomis caused by the COVID 19 pandemic, which warranted the March 17, 2020 Proclamation of Local Emergency by the Town of Loomis Director of Emergency Services, continue to exist.

Issue Statement and Discussion

At the March 31, 2020 special Council meeting, Council affirmed the Town of Loomis Director of Emergency Services' proclamation of a local emergency, which was originally declared March 17, 2020.

Loomis Municipal Code, Chapter 6.04 as amended on March 31, 2020 requires that any Proclamation of Local Emergency be reaffirmed every 60 days.

As Council know, the COVID-19 situation is very fluid. Governor Newsom has issued a Stay At Home Order for an indeterminate length of time. Because of the Order, and the ongoing public health concerns, Staff recommends Council reaffirm the declaration.

Staff is prepared to answer any questions you may have.
