RE: SACRAMENTO AREA COUNCIL OF GOVERNMENTS INFORMAL PRESENTATION ON THE SACRAMENTO REGION'S METROPOLITAN TRANSPORTATION PLAN/SUSTAINABLE COMMUNITIES STRATEGY.

Recommendation

Staff recommends the Town Council receive an informational presentation by Sacramento Area Council of Governments Senior Analyst Jennifer Hargrove on the purpose and development of the Sacramento Region's Metropolitan Transportation Plan/Sustainable Communities Strategy (MTP/SCS).

Issue Statement and Discussion

The Sacramento Area Council of Governments (SACOG) is responsible for preparing the region's Metropolitan Transportation Plan/Sustainable Communities Strategy (MTP/SCS). The long-range transportation plan proactively links land use, air quality, and transportation needs for the greater Sacramento region, including Placer, El Dorado, Yolo, Yuba, Sutter, and Sacramento counties. The MTP/SCS is currently being updated and is required to be adopted by the SACOG Board by February 2020. Placer County Transportation Planning Agency (PCTPA) is responsible for the long-range transportation planning in Placer County and is also in the process of updating the Placer County Regional Transportation Plan. SACOG and PCTPA work together to ensure consistency between these two plans.
