---

**TO:** Honorable Mayor and Members of the Town Council  
**FROM:** Roger Carroll, Finance Director  
**DATE:** June 28, 2018  
**RE:** Resolution approving personnel wage increases for the Town of Loomis Diversified Employees Group and the Loomis Public Works Employee's Bargaining Unit (Operating Engineers, Stationary Local No. 39)

---

### **Recommendation**

Approve resolution regarding wage and benefit changes for the fiscal years ending June 30, 2019; June 30, 2020; and June 30, 2021.

### **Issue Statement and Discussion**

The attached resolution adopts a pre-approved cost of living adjustment (COLA) for the full-time permanent employees of the Town of Loomis. The COLA would be effective the first day of each fiscal year and would be based on the preceding April-over-April change in the Consumer Price Index (CPI) for the All US Cities – Western Division.

For instance, for the fiscal year ending June 30, 2019, the effective date will be July 1, 2018. The change in the CPI from April 2017 to April 2018 ("the preceding year-over-year") is 3.2%. So, the COLA for will be 3.2%, approximately \$27,000, which has already been included in the adopted budget.

### **CEQA Requirements**

There are no CEQA issues.

### **Financial and/or Policy Implications**

The projected cost for the COLA for the 2018-19 is \$27,000 and has been included in the adopted budget. For the subsequent years, the additional payroll cost is projected to be between \$28,000 and \$30,000 per year.
