RE: CONSENT ITEM  
TOWN HALL DEDICATION PLAQUE

**ISSUE**

Decide on wording for a dedication plaque for the new Town Hall.

**RECOMMENDATION**

Approve plaque wording and design as noted or as Council may edit, and authorize plaque to be obtained in preparation for a dedication date.

**CEQA**

There are no CEQA issues because it is self evident that a plaque will not impact the environment.

**MONEY**

The cost of a plaque, like the one placed at the Depot, will be under \$1,000.00 dollars and come from the capital building fund that is being used to do the remodel work.

**DISCUSSION**

The Town Hall remodel will be completed early 2010 and it would be prudent to get plaque wording and costs confirmed so that the plaque could be available when the dedication takes place. The current timing is to move into the new facility in February and dedication could occur as early as the March Council meeting.

Following is suggested wording for a bronze plaque that would be the same style and size as the one at the Depot.

BRONZE PLAQUE 18" x 24"
