

Staff Report

December 13, 2016

TO: Honorable Mayor and Town Council
FROM: Roger Carroll, Finance Director
DATE: November 22, 2016
RE: Next Steps regarding the 0.25% Local Transactions and Use Tax

RECOMMENDED ACTION:

Adopt resolution authorizing the Town Manager to execute agreements with the State Board of Equalization for Implementation of a Local Transactions and Use Tax.
Adopt resolution authorizing the examination of transactions and use tax records.

ISSUE STATEMENT AND DISCUSSION:

The voters in Loomis approved Measure F, which establishes a 0.25% Transaction and Use tax within the Town limits. The next step is to file the necessary paperwork with the State Board of Equalization (BOE) so that they can begin collecting and remitting the taxes to the Town. There are two resolutions required:

The first resolution is regarding two contracts the BOE requires:

1. Agreement for Preparation to Administer and Operate District's Transactions and Use Tax Ordinance; and
2. Agreement for State Administration of District Transactions and Use Taxes.

The first contract authorizes the BOE to complete the preparatory work for the tax. This includes the costs of developing procedures, programming for data processing, developing tax return forms and instructions and informing the local taxpayers. For this, the BOE can charge the Town up to \$175,000. I have questioned other cities that have passed add on taxes regarding this fee. It appears that the BOE spreads the costs over the group of cities adding taxes at the same time. One city, which adopted its tax during a general election, only paid \$8,800. Another, which adopted its tax in a special

election, paid over \$80,000. Hopefully, with the historic number of tax measures passed during the last election, our cost will be very low.

The second contract authorizes the BOE to collect, process and remit the taxes to the Town. There are statutory rates that the BOE can charge for this service; approximately 1.2% of the taxes collected.

The soonest the BOE can begin collecting the taxes is the beginning of the sales tax quarter starting no less than two months after the paperwork is filed. For the Town, this is likely April 1, 2016.

The second resolution is required to allow confidential taxpayer information to be shared with specific members of the Town staff. This information is necessary for staff to be able to properly project revenues and develop annual budgets.

POLICY AND/OR FINANCIAL IMPLICATIONS:

While the BOE can charge up to \$175,000 to set up the collection process, we can hope that with a small tax district like Loomis, it will be less. These fees should be paid out of the sales taxes collected. Without the agreements with the BOE, the Town will lose between \$1,250,000 and \$2,500,000 in future transaction and use tax revenue.
