RE: LOOMIS UNION SCHOOL DISTRICT UPDATE

ISSUE

The Loomis Union School District has been working on various issues and projects and may have an update or other information to discuss with the Council.

RECOMMENDATION

Hear update and give direction if needed.

MONEY

It is unknown if funding will be requested.

CEQA

There are no CEQA issues in hearing an update from another government entity.

DISCUSSION

Mike Edwards, Board President with the Loomis Union School District last addressed the Council at the November 3 special meeting when locating medicinal marijuana dispensaries in the Town was discussed. He noted that his Board was considering the issue of drug use in schools and considering convening a task force of other government entities and interested people. Mr. Edwards talked to Mayor Scherer to have some time on tonight's agenda to address the Council.
