

**STAFF REPORT
TOWN COUNCIL MEETING OF MAY 12, 2015
BUSINESS ITEM**

TO: HONORABLE MAYOR AND MEMBERS OF THE TOWN COUNCIL

FROM: BRIAN FRAGIAO, DIRECTOR OF PUBLIC WORKS *BF*

DATE: MAY 1, 2015

RE: CIRCULATION ELEMENT WORKSHOP

Recommendation:

Discuss workshop date.

Issue Statement and Discussion

At the April 14th Town Council meeting, the Consulting firm of Omni-Means gave a presentation status of the Circulation Element Plan. Staff and Council discussed dates for the next Community workshop and the selected date was May 7th. Staff later found out that the date would not work, so it was tentatively moved to May 6th. That date did not work either. Staff is now looking at June 16th (Tues), 17th (Wed), 18th (Thurs) or 24th (Wed) at 7pm for the workshop.

Financial and/or Policy Implications

None at this time.
