**PUBLIC HEARING**

5. **# 21-05 KNIESEL’S LOOMIS - CONDITIONAL USE PERMIT**  
 Brace Taylor, LLC, on behalf of Kniesel’s Loomis is requesting a Use Permit to operate an auto body and collision repair facility (Vehicle Services) in an existing/vacant 33,927 sq.ft. building on a 5.2 acre parcel at 4011 Sierra College Boulevard, Loomis, CA 95650 (corner of Sierra College Boulevard and Brace Road).

### **RECOMMENDATION:**

1. Conduct a public hearing and receive public input; and
2. Find the project is exempt from the California Environmental Quality Act (CEQA) pursuant to the categorical exemption as per Section 15301 "Existing Facilities"; and
3. Adopt Resolution #21-01 approving Conditional Use Permit #21-05 for Kniesel's Loomis to operate subject to the findings in Exhibit A with the recommended Conditions of Approval as outlined in Exhibit B.

### **COMMISSIONER QUESTIONS OF STAFF:**

**Commissioner London** asked if the immediate neighbor (future childcare) had been contacted about the change in use.

**Commissioner Obranovich** disclosed meeting with the applicant -Items discussed were safety standards provided by the use of Paint Booths, the adequacy of the on-site parking and the traffic circulation due to the project

**Commissioner London** asked about the relationship Kniesel's has with residential areas next to this use in other areas. She also requested when the Air Quality Board is notified to sign the Air Quality/ Hazardous materials application, that they be informed of the Future childcare / preschool use next door to the project.

### **PUBLIC COMMENTS**

**Jesse Lunsford- Smokewod Court:** Commented on the CEQA exemption and his desire to ensure that CEQA standards are upheld. (CEQA exemption explained)

**Jean Wilson- Barton Road:** Voice concerns over the potential hazardous drainage into the waterways. (addressed in Conditions of approval), and she also voiced concern over the tree mitigation responsibility of the former property owner, Homewood Lumber, and how the obligation is met. (Brace Talyor LLC resolved tree mitigation prior to sale of property)

**David Ring –** Asked about staging, and parking of vehicles. And asked if the applicant could plant trees in the excess unused portion of the lot to generate more shade.

### **COMMISSIONER DELIBERATION**

**Commissioner Obranovich** discussed the probable lack of fuel and oil leakage in newer/ battery operated vehicles

**Commissioner London** asked for an explanation of the permitting process required by the various agencies to ensure air quality safety. Again, she reiterated the need for the Air Quality board to be notified of the Childcare location adjacent to the project location.

Motion to approve recommended action with the added conditions of approval #17.5, and #13.5, with the added requirement to notify Air Quality Board of the future childcare facility adjacent to the project:
