

## Town Council Committee Reports

### **Mayor Wheeler**

1. **SACOG** – Has approved the final budget and overall work program. As a possible future benefit for the Town of Loomis, a Cooperative Purchase of Fuels and Lubricants was approved.
2. **Boarders Committee** – No meetings are currently scheduled.
3. **SPMUD 2X2 Committee** – Continuing talks with SPMUD to increase the sewer service to Loomis.

### **Councilmember Black**

1. **Placer County Economic Development** – Rick Angelocci and I met with Jeff Bordelon to review a Business Resource Networking Hub for the Economic Development Board as part of our groups project for the Board, and possible presentation at a later date to the Chamber of Commerce.
2. **Placer County Air Pollution Control District** – I attended the annual awards luncheon at Sacramento State University. Three different Pollution Control boards and members were present, with awards give to those persons and entities in our area who achieved their goals in reducing pollution in their area.
3. **School Liaison** – Nothing new to report
4. **Business Liaison** – Nothing new to report
