 At the March 14, 2017, Town Council meeting, the Council received a presentation by Placer County Treasurer, Jenine Windenhausen regarding the Community Choice Aggregation program and staff was directed to bring back an ordinance for adoption for the town to join the Sierra Valley Energy authority (JPA). Since that meeting, both the City of Colfax and the City of Rocklin have joined the JPA with the County. The City of Auburn proceeding forward with the JPA.

13. **Revised Uniform Fire Code Chapter 11.04.100**

The California Fire Code establishes minimum standards for protection of life and property from fire, explosion and hazardous materials release. Fire districts are authorized by law to enact stricter standards than those in state or local codes. In order to enact stricter standards, the District's legislative body must adopt its own ordinance/resolution implementing the California Fire Code with amendments. Fire Districts must also adopt findings of fact and need for changes or modifications due to local conditions. No such ordinance of a local fire district becomes effective unless or until it is ratified by the legislative body of the city in which the local district is located.

Recommended action: Take public comment and introduce Ordinance by title only, waive further reading and schedule for second reading and adoption at the June 13th Council meeting.

Public comment:

14. **First Reading of an Ordinance Establishing the Planned Development Zoning District**

This item is before Council for consideration based on staff's review of the planning process and identification of tools needed to assure the staff, planning commission and council have available the mechanisms needed to secure the best possible planning options for future development. Approval of the ordinance adds a new zoning district to the zoning code and implements a provision of the General Plan (GP).
