Recommended action: Discuss and direct staff.
resolve the issue.

Public comment:

Councilmember Ucovich stated the following:

- about three months ago he got a call from Mr. Peterson one night about the noise, and he could hear it from his own yard
- he talked to Pat Brechtal and he said he would take care of it
- a month later he got another call from Mr. Peterson about 10:30 p.m. and he went outside and could hear the noise again
- he talked to Pat Brechtal again and he said he would take care of it
- there was a fundraiser in December that went until 1 a.m. in the morning and you could hear the noise again, it was extremely loud but nothing was done

Rick Angelocci, Town Manager, stated that he will work with Pat Brechtal on this and one condition could be a 10 p.m. curfew.

Edward Peterson, 6013 Thornwood, stated the following:

- he is the one that complained
- the week before Christmas on Friday night there was a party that went until 1 a.m. and Saturday night was another party until 1 a.m.
- he has new double paned windows, his doors are shut and with the TV on, he can still hear it
- there needs to be some control on the equipment and the noise that is coming from the Blue Goose

Jenny Knisley, 4135 Hunters Drive, stated the following:

- she was in a meeting with Pat Brechtal today and he is talking with a company to work on buffering the sound
- she suggested having a deposit and if they get a complaint, because it's too loud, then take their deposit

Jean Wilson, 4301 Barton Road, stated the following:

- she would like to have more flexibility for the time limit on Fridays and Saturdays to 11:00 p.m.
- suggest having them turn the bass down after a certain time

Councilmember Wheeler suggested waiting to see what the acoustical company that Pat Brechtal is working with, comes up with for the Blue Goose.

Councilmember Ucovich stated that for years there hasn't been a problem, only this last year .

Mayor Morillas stated the following:

- she agrees with Jean Wilson, we should not put a time limit of 10 p.m. for Friday and Saturday, at least until 12 a.m.
- there hasn't been many complaints
- we shouldn't get involved in telling the Blue Goose how late to rent their facility

Councilmember Black stated that if the Blue Goose mitigates the sound by taking measures to keep the bass down and monitors it, then it is a non-issue.

Mayor Morillas stated that they will let staff handle it with the Blue Goose.

FUTURE AGENDA ITEMS

Councilmember Wheeler stated he would like to have the following items on a future agenda:

- we had to have special meeting last week because our ordinance says that a vacancy on the Planning Commission must be filled within 30 days and he would like to change that to 45 days so it will overlap on the next council meeting so we won't need to hold a special meeting
- one year on the Town Council, before becoming a mayor, is ludicrous and he would like to take a look at changing the ordinance
- we need to adopt an accountable ordinance for council attendance and be able to remove them if they don't show up regularly
- he wants to make sure that the language in the term limits are clear, for example Councilmembers Black's partial term on the council, So that it doesn't count toward term limits, before the next election

Rick Angelocci, Town Manager, asked for council consensus on these items.

Council agreed to bring these items forward on a future agenda.

Council agreed to have the Strategic Planning retreat on February 28, 2015.
