PUBLIC HEARING

11. **Proposed Ordinance Prohibiting Wrongful Loitering**
At the May 12, 2015 Mayor Pro Temp Baker requested that staff return with an ordinance prohibiting loitering within the Town, specifically at the Town’s Train Depot. Complaints have been received by the Sheriff’s Department and staff regarding loitering.
Recommended action: Take public hearing, and introduce for first reading the proposed ordinance adding Chapter 7.24.010 and 7.24.020 Prohibiting Wrongful Loitering to the Loomis Municipal Code
Public comment:

Jeff Mitchell, Town Attorney, stated the following:

- the loitering definition has to do with staying after business hours or after the park has closed
- hanging out at the park during the regular hours is not a violation because it is a public park
- this will be complaint driven

Jenny Knisley stated they had an experience during the Thursday Night Family Fest when they were having the talent show and while the young girls were singing.

Following further discussion on the matter, a motion was made to introduce for first reading Ordinance 261, adding Municipal Code Chapter 7.20 Prohibiting Wrongful Loitering. On motion by Councilmember Ucovich, seconded by Councilmember Baker and passed by the following roll call vote:

Ayes: Baker, Black, Morillas, Ucovich, Wheeler
Noes: None
Abstained: None

12. **Operating Budget for 2015/16 Fiscal Year**

Consider the proposed budget and amend if necessary.

Recommended action: Discuss the proposed budget, take public comment, amend if necessary, and by resolutions adopt the following: the 2015/16 budget; the 2015/16 Gann Limit; and the 2015/16 Authorized Positions

Public comment:

There was no public comment.

Councilmember Ucovich stated the following:

- suggested putting in a concrete sign to identify the Sunrise Loomis Park and who it belongs to
- the funds could be taken out of the Park Development Fees (about \$3500)
- there use to be two spring animals for the children to play on and he would like to have two more put back in, that is similar

Council agreed.

Roger Carroll, Finance Director, affirmed there would be \$3500 for the sign at the park and \$2500 for park replacement; he will put a total of \$6,000 in for both.

Councilmember Ucovich stated the following:

- he suggested looking into having a temporary freeway sign (maybe a trailer on wheels) put on the Turtle Island property
- we are the only community that doesn't have a sign on the freeway telling what is going on in the community

Roger Carroll pointed out that the Economic Development section has \$10,000 for Town signage.

Councilmember Wheeler suggested bringing the signage discussion back to a future agenda when the Public Works/Town Engineers position is filled.

Mayor Morillas appointed Councilmember Wheeler and Councilmember Baker to be on the mini-grants committee.

Following further discussion on the matter, a motion was made to approve the following:

Discussion on a water collection system at the Blue Anchor Park Spray Pad

Recommended action: Discuss and give direction

Public comment:

There was no public comment.

Rick Angelocci, Town Manager, stated the following:

- in Placer County Water Agency's (PCWA) news letter it said water features must be drained and not used
- he contacted PCWA to make sure the Town was not in violation of their restrictions and they sent a letter urging the Town not to be using the spray pad this year

Councilmember Wheeler stated the following:

- it is the perception, that we as a town need to support PCWA
- there is no sense in buying a water collection system if the spray pad will be off

The council consensus was to not proceed with a water collection system and keep the spray pad turned off for the summer.

FUTURE AGENDA ITEMS (Needs Consensus)

Councilmember Ucovich would like the Council to consider on a future date discussion on what we are going to do with Town property.
