BUSINESS ITEMS

**3. CONTINUED FROM 3/28/2017 PC MEETING
#17-02 FEATHERED NEST - MAJOR USE PERMIT AND DESIGN REVIEW APPLICATION
3264 TAYLOR ROAD APN 043-014-011
APPLICANT: RICHARD MASSIE**

The applicant proposes to construct an 11,000 square foot (sf) building, along with 34 parking spaces, delivery and loading areas and roadways. The latter will create approximately 20,000 sf of coverage for an approximate total of 30,000 sf of lot coverage. Plans call for removal of 9 protected trees, and 7 unprotected trees subject to the provisions of Section 13.54.00 Tree Preservation and Protection of the Loomis Zoning Ordinance. The applicant will add CC&R's to restrict any and all development in perpetuity within the Stream and Wetland area identified in the Foothill Associates Aquatic Resource Study. The proposed project is consistent with the requirements of Section 13.56.00 Waterway and Riparian Habitat Protection, and Section 13.58 Wetland Protection and Restoration of the Loomis Zoning Ordinance. The Army Corps of Engineers (ACOE) has granted permission to proceed, subject that the delineated wetland\stream area is not impacted.

The applicant, SPMUD and the Town have developed a plan to extend sewer service from Mandarin Court, through the Town corporation yard, then along the existing sewer easement to the project site. Upon approval of all parties the extension will serve the project site, and a means to serve other property in need of public sewer service.

RECOMMENDATION

The Planning Commission adopt Resolution #17-02 to allow construction and operation of a 11,000 square foot retail furniture store "The Feathered Nest" at 3264 Taylor Road, subject to the findings in Exhibit A and the Conditions of Approval in Exhibit B, and find the project exempt from the California Environmental Quality Act (CEQA) as per Section 15183 Projects Consistent with a Community Plan, General Plan, or Zoning.

PUBLIC COMMENT :

Wheeler – Barker Road: Spoke on behalf of the project; voiced frustration on / about the tree ordinance mitigation fee schedule

COMMISSIONERS DELIBERTATION:

Commissioner Kelly commended the applicant on submitting a well thought out, complete application. Opened a discussion on the tree mitigation fee schedule.

Motion was made adopt Resolution #17-02 to allow construction and operation of a 11,000 square foot retail furniture store "The Feathered Nest" at 3264 Taylor Road, subject to the findings in Exhibit A and the Conditions of Approval in Exhibit B, and find the project exempt from the California Environmental Quality Act (CEQA). 1. **4. CONTINUED FROM 3/28/2017 MEETING
#17-07 ZONE TEXT AMENDMENT
ESTABLISHMENT OF PLANNED DEVELOPMENT ZONE**

The Town of Loomis is proposing to add a new zoning district entitled Planned Development (PD) consistent with the Loomis General Plan

Purpose:

A Planned Development (PD) Zone is a tool to implement the objectives and policies of the General Plan, especially for larger parcels of land that allow for a mix of residential uses, and some commercial, while

preserving large areas of environmentally sensitive areas for public enjoyment. Importantly it ensures an orderly and quality small town design consistent with the Town goals, and surrounding neighborhoods and uses. The PD zone is a tailored district designating the zoning regulations for a project and setting specific development standards. A PD zone offers the ability to facilitate innovation and specific site conditions, not found in traditional zone districts that often rely on standardized solutions for standard city subdivisions, but not suitable for rural and small town communities. The PD zone also offers a vehicle for negotiation not found in the yes/no options of a traditional zone. Rather it allows the town to negotiate to accommodate the needs and demands of the Town that are enforceable by an ordinance. While a PD zone allows for flexibility, it is not an excuse for reduction of standards, but a mechanism to require higher standards for the town in exchange.

RECOMMENDATION: The Planning Commission approve *Resolution #17-07 (Attachment 1)* and adopt the resolution recommending approval to the Town Council of adding the Planned Development Zone to the Loomis Zoning Ordinance.

COMMISSIONER COMMENTS TO STAFF:

Commissioner Kelly asked if the PD shortens or lengthens the process for the applicant

Commissioner Wilson asked about the differences between the old process and the new process using the PD ordinance

Commissioner Duncan asked about the process used to approve Raley's.

PUBLIC COMMENT:

Nathan Depelo – Helens Court: Spoke on behalf of the project, stated that many developers favor having a PD text ordinance in place.

Dave Wheeler – Barker Road: Asked if the PD ordinance is going to help or hinder future development, particularly in mixed use projects.

Miguel Ucovich – Craig Court: First Stated he was a Loomis council member and the council did not bring this item to the commission, this proposal was staff directed. Secondly, he stated that based on his experience of working with a PD ordinance in Roseville, a PD ordinance is a contractual agreement between a developer and a public agency. He asked if this PD ordinance allows for negotiation of roads, density, park requirements etc. to be changed from the General Plan requirements.

Betty Succo – Mareta Lane: Asked what the purpose of the PD ordinance is and how does it offer more flexibility than we have presently in place.

COMMISSIONERS DELIBERATION:
