

## Flying Change Farms Initial Study/Mitigated Negative Declaration

### Errata

The following revisions to the Flying Changes Farms Draft Initial Study/Mitigated Negative Declaration (DIS/MND) are, in part, the result of responding to comments on the DIS/MND. Added text is underlined and deleted text is struck through. Text changes are presented in the page order in which they appear in the DIS/MND.

**NOTE:** Deleted text is struck through; new text is underlined.

#### Chapter 2: Project Description

Page 2-13 The following bullet is added at the end of the list of Other Agency Actions:

- City of Rocklin encroachment permit for improvements to Rocklin Road within the City limits.

Page 3-14 The fifth bullet of Mitigation Measure 1 is revised as shown:

- *No open burning of ~~removed vegetation from the project infrastructure development shall be conducted on the project site. during infrastructure improvements. Vegetative material shall be chipped or delivered to waste to energy facilities.~~*

Page 3-32 Mitigation Measure 6(a) is revised as shown:

*If any cultural resources, such as structural features, unusual amounts of bone or shell artifacts, or architectural remains, are encountered during any construction activities, the contractor shall implement measures deemed necessary and feasible to avoid or minimize significant effects on the cultural resources including the following:*

- *Suspend work within 100 feet of the find;*
- *Immediately notify the Town's Planning Director and coordinate any necessary investigation of the site with a qualified archaeologist as needed to assess the resources (i.e., whether it is a "historical resource" or a "unique archaeological resource");*
- *Provide management recommendations should the finding be historically significant or a unique archaeological resource Possible management recommendations for historical or unique archaeological resources could include resource avoidance or data recovery excavations, where avoidance is infeasible in light of project design or layout, or is unnecessary to avoid significant effects;*
- *If the find is of Native American origin, then consult with the appropriate Native American representative regarding evaluation and*

treatment of the find, and document the outcome of the consultation;  
and

- *As warranted by any cultural resources found on site, prepare reports for resources identified as potentially eligible for listing in the California Register of Historical Resources in consultation with the State Historic Preservation Officer, and if applicable, tribal representatives.*
