

TOWN OF LOOMIS  
PUBLIC WORKS DEPARTMENT

Notice Inviting Contractors to Register  
and be Placed on the Town's Informal Bidding Contractor's List

RE: Creation of Informal Bidder's List of Contractors  
(Pursuant to Public Contract Code Section 22000 et seq.)

START DATE: 9/10/21  
END DATE: Continuous

ATTN: State Licensed Contractors and Trade Journals

This notice is to invite Contractors wishing to be notified of project bidding opportunity, to submit their firm's information for inclusion in the Town's Contractor Directory.

The Town of Loomis has adopted the Uniform Construction Cost Accounting Act which allows it to award public works construction contracts using informal bidding procedures. The Act requires that that the Town establish and update a list of qualified contractors annually.

If interested, please visit the Town's website, on the Engineering Division's home page, where you can find a link to an online Contractor Registration form which allows you to enter your firm's information. <https://loomis.ca.gov/contractor-registration/>

You can also contact Sarah Jennings at [sjennings@loomis.ca.gov](mailto:sjennings@loomis.ca.gov) or by phone at (916) 652-1840 for assistance, questions, or to obtain a hard copy of the online form which can be filled out and returned.

While certain trade classifications are more typical of the type of work that is contracted out by the Town's Public Works Department, all trades are invited to register.

The first review of registered Contractors will be conducted on or after October 4, 2021. The Town has the following work in mind for immediate release by informal bidding: traffic signage and striping, minor concrete improvements, pothole repair, and Class B building modification work for ADA compliance.
