
TOWN OF LOOMIS GENERAL PLAN LAND USE ELEMENT

**PARKS AND RECREATION
SUBCOMMITTEE MEETING
OCTOBER 28, 2021 – 6:00 P.M.**

AGENDA

- » **Finish Goals, Policies, and Implementation Measures**
- » **New Park Locations**
- » **Joint Use Agreements and Non-Town-Owned Parks**

GOALS, POLICIES, AND MEASURES

- » **PlaceWorks to share Element on screen**
- » **Completed review of Policy PROS-1.3.1, begin at Implementation Measure PROS-1.3.1.1**

DECISION POINT

» **Did the Committee decide on any changes to goals, policies or programs?**

- If yes: Incorporate, then done.
- If no: Done.

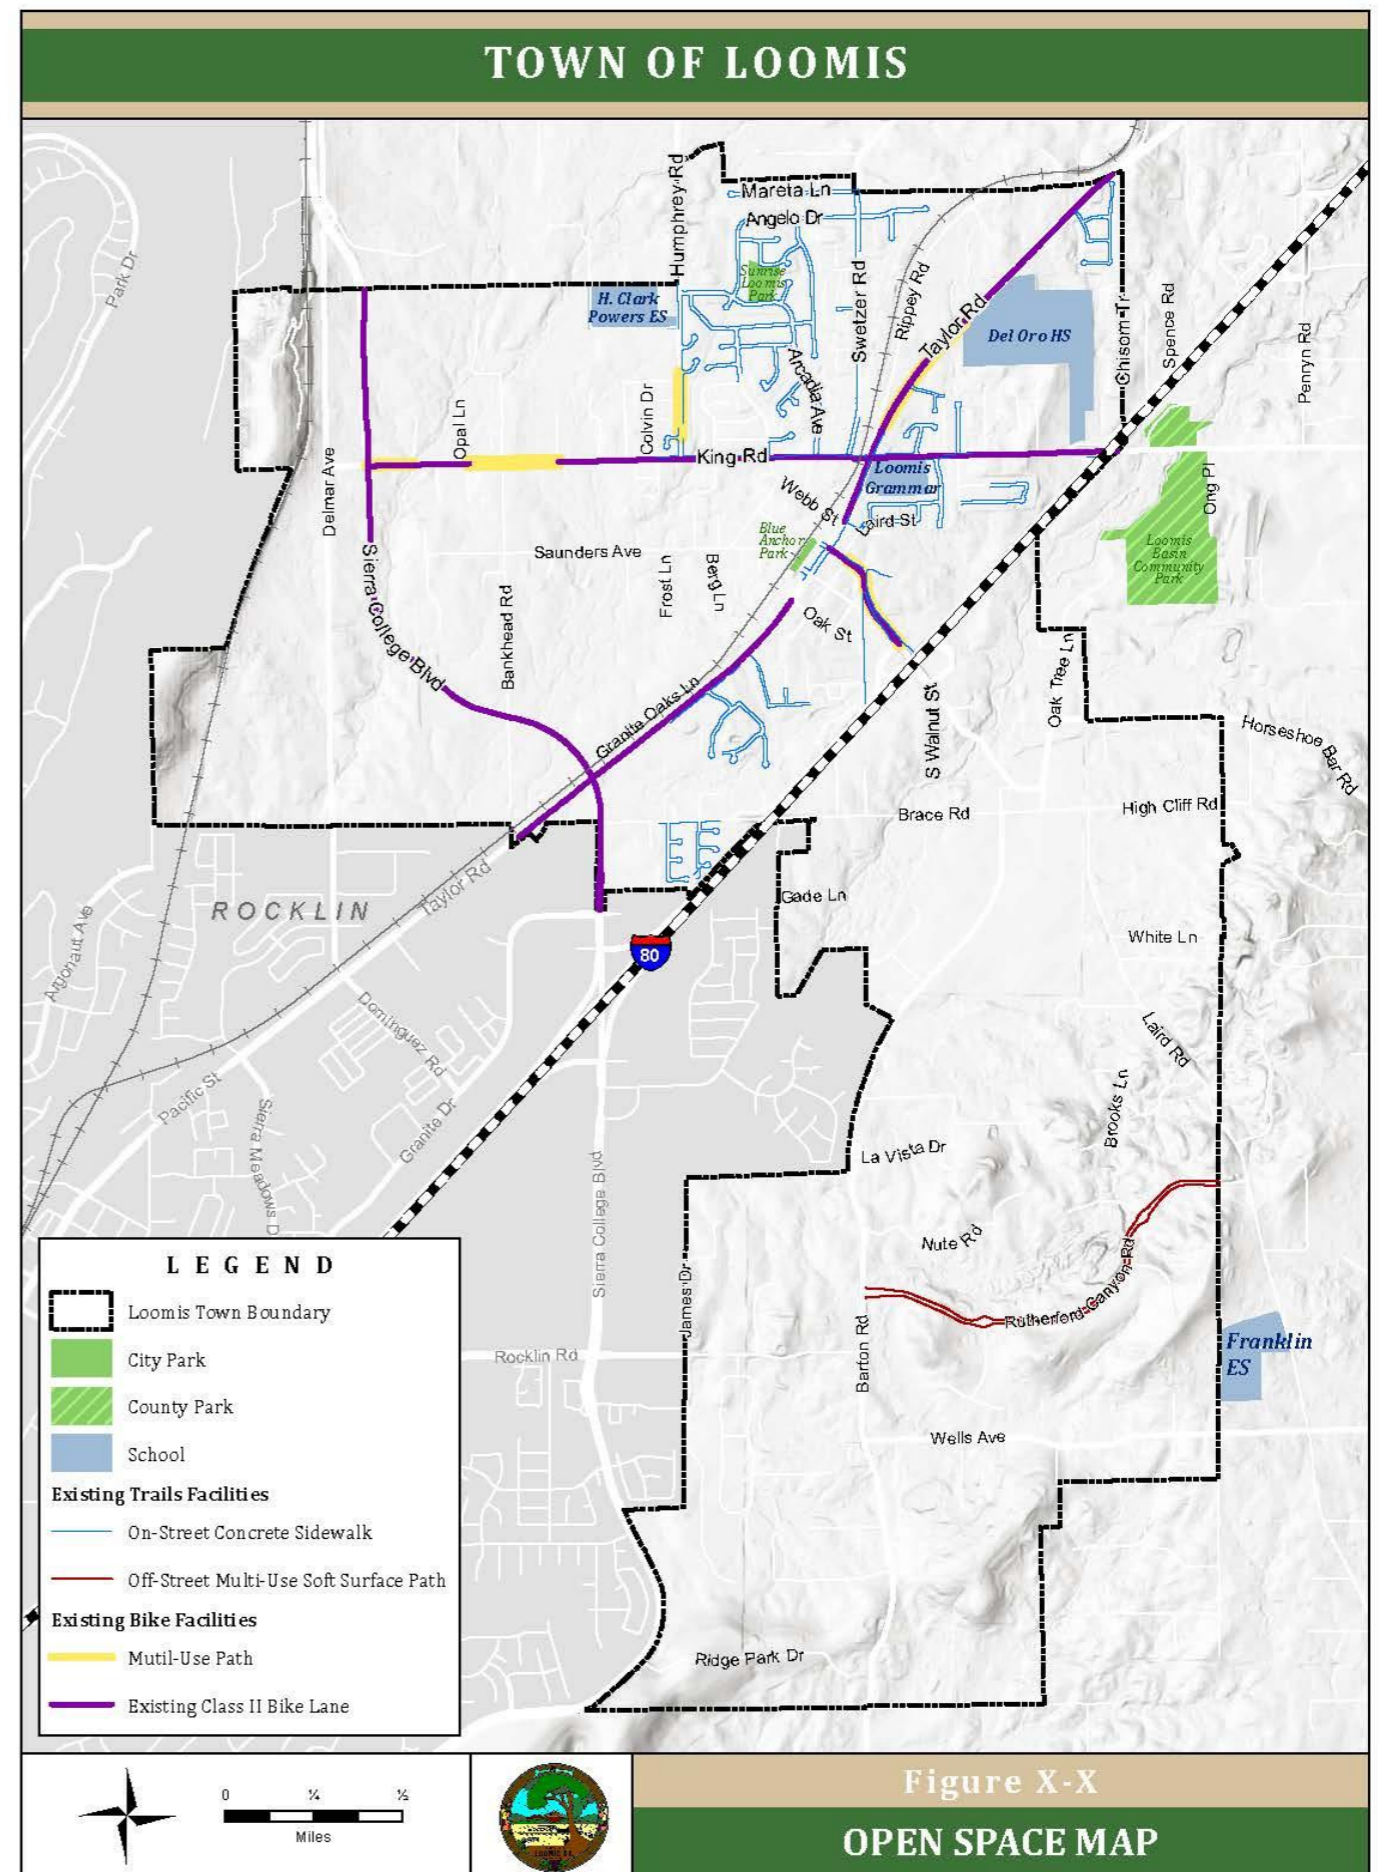

AGENDA

- » **Finish Goals, Policies, and Implementation Measures**
- » **New Park Locations**
- » **Joint Use Agreements and Non-Town-Owned Parks**

NEW PARK LOCATIONS

» Are there any specific locations that should be designated for future parks, open space, trails, or other related uses?

DECISION POINT

» **Did the Committee identify any sites that should be designated Public Quasi Public (P) or Open Space & Conservation (OSC)?**

- If yes: Forward to Land Use Committee.
- If no: Done.

AGENDA

- » **Finish Goals, Policies, and Implementation Measures**
- » **New Park Locations**
- » **Joint Use Agreements and Non-Town-Owned Parks**

COUNTING OTHER PARKS

» **Parkland Ratio - DECIDED**

- Established Ratio: 5 acres per 1,000 residents

» **Determine how to count non-town-owned parks:**

- Regional Parks (33 acres, full access)
- School Facilities (~39.2 acres, partial access and not guaranteed in long-term)

DECISION POINT

- » **Should the Town count park facilities at schools identified in joint use agreements?**
 - If yes: Move onto next question.
 - If no: Done.
- » **What percent should the Town use to count park facilities at schools identified in joint use agreements?**
 - PlaceWorks to do live calculations of how percentage influences existing parkland ratio.
- » **Does the Committee want to include all types of parks and open space in one parkland ratio?**
 - If yes: Done.
 - If no: Move on to next question.

QUESTIONS?
