

## Staff Report January 11, 2022

---

**TO:** Honorable Mayor and Members of the Town Council  
**FROM:** Sean Rabé, Town Manager  
**DATE:** January 11, 2022  
**RE:** 3800 Taylor Road Development Proposal Extension

---

### **Recommendation**

Staff recommends the Council extend the negotiation period with Brian Nelson of Stargate Properties, LLC, for the sale of the Town-owned property at 3800 Taylor Road, for an additional 26 days (to February 8, 2022).

### **Issue Statement and Discussion**

The Town Council awarded the exclusive development rights for 3800 Taylor Road Brian Nelson of Stargate Properties, LLC, at the October 12 Council meeting. Those development rights were contingent on successful contract negotiations that were to cease within 90 days (January 11, 2022).

Mr. Nelson and I have been working out the potential contract language, but those negotiations were delayed due to a death in Mr. Nelson's family and the holidays. Thus, staff requests an additional 26 days (to February 8, 2022) to complete negotiations.

Mr. Nelson proposes using the site for the creation of the Pine Star Brewery, Restaurant and entertainment Venue. The proposal notes that the site will be a "family-friendly destination location providing the Town of Loomis and surrounding communities a historically-rich culinary experience."

Specific uses include the following:

- Pine Star brewery
- Two restaurants on site
- Outdoor dining/activities area (including elevated deck dining)
- Fire pits and gaming areas
- A ride that encircles the site with a theme that reflects the history of the region
- Large, fully-functioning Pelton water wheel

Construction for the project is estimated at \$2 million, with construction to begin immediately. Construction is estimated to take approximately two years, according to Mr. Nelson's RFP response (Attachment A).

**CEQA Requirements**

There are no CEQA requirements associated with the recommended action.

**Financial and/or Policy Implications**

None with the recommended action.
