

Staff Report

April 12, 2022

TO: Honorable Mayor and Members of the Town Council
FROM: Sean Rabé, Town Manager
DATE: April 12, 2022
RE: Possible Dedication of Loomis Train Depot Iris Garden to Hazel Hlineine

Recommendation

Staff recommends the Council authorize the Town Manager to commission a plaque honoring former Mayor Hazel Hlineine, with a not to exceed amount of \$800 and schedule a ceremony to dedicate the Iris Garden at the Train Depot in Hazel's honor. Hazel passed away February 14, 2022.

Issue Statement and Discussion

During the March 2022 Council meeting, Mayor Knisley asked to bring an agenda item before the Council to consider dedicating the Iris Garden at the Train Depot to former Mayor Hazel Hlineine and authorize the commission of plaque in her memory.

Mrs. Hlineine served the Loomis community, in several different capacities, for many years. She was first elected to the Town Council in 1988, and again in 2000. She also served as Town Treasurer and served on the Planning Commission. She also served as the Executive Director of the Chamber of Commerce, and was instrumental in establishing the Iris Garden itself.

Her imprint on our community is unmistakable.

Staff is available to answer any questions you may have.

CEQA Requirements

There are no CEQA requirements associated with the recommended action.

Financial and/or Policy Implications

The plaque is estimated to be approximately \$750.
