- > Agriculture and Forestry Resources
- > Air Quality
- > Biological Resources
- > Cultural and Tribal Resources
- > Energy
- > Geology and Soils, Minerals, and Paleontology
- > Greenhouse Gas Emissions
- > Hazards and Hazardous Materials
- > Hydrology and Water Quality
- > Land Use and Planning, Population and Housing
- > Noise and Vibration
- > Public Services and Recreation
- > Transportation and Circulation
- > Utilities and Service Systems
- > Wildland Fire Hazards

LOOMIS 2020-2040 GENERAL PLAN ENVIRONMENTAL IMPACT REPORT SCOPING COMMENT CARD

Q: Have we missed any important topics? If so, which ones and why? Should any topics be dismissed from further consideration? If so, which ones and why?

Q: Should any topics be broken out separately or combined? Why?

Q: Due to what you know about the location, scale, and character of the Town or the nature of this General Plan Update, should the EIR place particular focus on certain topics? If so, which ones?

Q: Are there existing conditions in the Town we should particularly consider in the EIR analysis? If so, please describe them.

LOOMIS 2020-2040 GENERAL PLAN ENVIRONMENTAL IMPACT REPORT SCOPING COMMENT CARD

Mitigation Measures

Q: Mitigation measures are changes to the design, phasing, or operation of projects that would reduce or avoid environmental impacts. Please suggest mitigation measures that could be added as policies of this updated General Plan to help reduce environmental impacts.

Alternatives

Q: The Town will consider alternatives that meet the basic objectives for this General Plan Update, and that could potentially reduce or avoid environmental impacts. Do you have ideas for alternatives that would reduce or avoid environmental impacts?

Interested Parties

Q: Do you know of public agencies, public and private groups, or individuals that the Town should contact regarding this project and the accompanying EIR? If so, please list them.
