TOWN OF LOOMIS

June 30, 2022

Honorable Mayor and Town Council

The attached Budget for the Town of Loomis for Fiscal Year 2022/23 has been prepared in compliance with the State of California Government Code. Staff prepared a workable document reflecting the manager's recommendations for review and consideration at the regular Town Council meeting on June 14, 2022. This document is a compilation of the recommendations and the consensus derived from discussions at the council meeting.

The budget document presents a balanced general fund budget but draws on prior year excess revenues to complete the General Plan Update. Revenues and expenditures are projected at \$5,127,761 and \$5,114,840, resulting in an increase in Net Position of \$12,921. Additionally, this budget includes \$250,000 designated for the General Plan Update included as revenue.

Budget Highlights

Revenues

Revenues are estimated based on prior experience, State generated estimates and data provided by other sources. See the detailed analysis, below, for explanation of the various estimates.

General Fund Revenues are available for the Town's day-to-day operations, without restriction to specific projects or programs. The Town of Loomis receives over two-thirds of its revenues from property and sales taxes. The majority of Revenue from Other Agencies comes from State revenues to replace Motor vehicle fees and sales taxes retained by the State.

The total current value of real property within the Town limits assessed by Placer County as of June 30, 2020 was \$1,319,902,954. The County collects 1% of the assessed value, after reduction for Homeowner Exemptions. For 2021/22, this amount was approximately \$13,919,903. This is a 15.3% increase over the prior year.

Of the \$13,919,903 collected, major portions are allocated by the County to school districts, special districts and County administration. The Town receives approximately 11% of the taxes collected on the properties within the Town limits.

As stated, above, property values have increased by 15.3% in the last year and almost 50% over the previous five years. These increases came mostly by property revaluations that occur when real properties are sold for more than their previously assessed values. We believe this trend will continue at about the 2.0% to 3.0% range.

Sales tax revenue is expected to take the largest hit due to the loss of a major business in Town and because of an attempt by online retailers to change the allocation method of sales tax from online purchases.

The Town has franchise agreements with various companies that supply energy, refuse disposal and cable television. Pacific Gas and Electric Company (PG&E) pays the Town 3% of its receipts generated within the Town limits for the right to run electric and gas lines within the Town. The gas and electric franchise account for about \$100,000 of the total franchise revenue budgeted.

The refuse company with which the town has a franchise agreement has consistently raised its rates in alignment with the Consumer Price Index. The refuse disposal franchise brings in the lion's share of franchise revenue, at \$155,000 budgeted for 2021/22.

The cable television franchise have continued to decrease, likely because of alternative online "streaming" options.

Considering all the factors above, the 2021/22 budget for franchise fees is approximately equal to the prior year projected total.

During the Covid pandemic, building activity increased unexpectedly. As the pandemic started winding down, two subdivisions began construction activity. One has begun building homes while the other is in the process of building the infrastructure. In the General Fund, revenue from construction increases and decreases is offset by similar changes in related costs and have minimal effect on the Fund.

Revenue from Other Agencies includes any General Fund revenue from Federal, State or other governmental agencies. In the past, 90% to 96% of this revenue source had been from Motor Vehicle License Fees (VLF) that vehicle owners pay to the Department of Motor Vehicles. VLF was allocated to municipalities on a per capita basis and represented the third largest source of General Fund revenue for the Town. In 2004, this fee revenue was taken away by the State and replaced with property tax revenues that the State took from the Counties and is now called Property Tax In lieu of Vehicle License Fees. It increases each year based on the year over year change in the Consumer Price Index (CPI).

Expenditures

The Town supplies its citizens with police protection, land use planning, and infrastructure maintenance and capital projects. More than one-third of the General Fund budget goes into safety services, which includes contracts with the Sheriff's department for police, the Loomis Fire Protection District for wild land fire protection and Placer County Health and Human Services for animal control.

Cost Allocations. The Town of Loomis allocates costs to the funds and departments that directly benefit from those costs. Payroll costs are first allocated during the payroll process, based on factors calculated during the budget process. These factors come from a review of each staff position and its related functions. All payroll costs and benefits are allocated using the same factors. Public works costs are then further

allocated, based on actual time, to Streets and Roads, Facilities and Drainage sub-funds. Facility overhead costs are allocated to the departments based on percent of square footage used by each department. Both the payroll factor and the overhead factor are used to determine "billing rates" for each employee. These rates are used to apply costs, by fund transfer, to special projects and maintenance districts and for billing outside entities using our staff facilities.

Staffing The 2021/22 fiscal year will see the retirement of Loomis' beloved Town Clerk. The plan is to shuffle positions and hire additional front office staff. Other short-term staffing needs are being filled through contracts.

The Town of Loomis pays, in addition to wages and the related employer taxes, medical and dental insurance up to \$1,868 per month per employee through a Section 125 Cafeteria plan and has provided a Section 457 deferred compensation plan (employee contributions only – no employer match). The Town also provides a Vision plan and \$50,000 of life insurance to each full-time employee.

The employees are members of the California Public Employee Retirement System (CalPERS) and participate in one of two valuation plans. "Classic Employees" are those who were in the CalPERS retirement system before January 1, 2014 and participate in the 2% @ 55 plan for Miscellaneous employees. PEPRAs are those who entered the CalPERS retirement system after December 31, 2013 and participate in the 2% @ 62 plan. CalPERS' retirement plans are similar to Social Security, in that there are employee withholdings and employer contributions.

An example of how the formulas work is: In the 2% @ 55 plan, a member retiring at age 55 will receive an annual retirement income equal to 2% of the average of the employee's highest three years income, times the number of years the employee was in the plan.

The Town's share of contributions for 2020/21 is 10.484% of employee base pay for Classic employees and 7.732% for PEPRAs.

Capital Outlay Items. The Town completed Phase 3 of the Downtown Master plan, improving the section of Taylor Road from Horseshoe Bar Road to King Road and sections all the way to the north-east Town limit. Sidewalks, bike lanes and road services were updated.

Changes in Funding and Levels of Service

There are no plans for changes to staffing or levels of service this year.

The budget document presents a balanced general fund budget but draws on prior year excess revenues. Before reserves, revenues and expenditures are projected at \$4,421,800 and \$4,409,071, respectively, resulting in a draw from reserves in the amount of \$12,729.

Additionally, this budget includes \$85,000 from reserves designated for use for street and road improvements and \$490,000 designated for the General Plan Update included as revenue. Not including the use of designated reserves, this budget projects a 7.93% decrease in revenue and a 3.77% decrease in expenditures from the prior year's budget.

Debt

The only debt the Town has is a lease purchase agreement on the copy machines. In the early years of incorporation, the Council set aside reserves against the possibility of future recession. The Town has always “lived within its means,” going without, rather than financing with debt. Even now that major projects are being planned, grant funds and other revenue sources are being sought out, rather than acquiring debt.

Recent Accomplishments

The Town continues to weather the pandemic storm. During the March and April 2020 shutdown, public works continued to provide service on the streets and around town. At this writing, Town Hall has re-opened to the public. Building activity is increasing and the building department is almost back to its previous volume.

Current Issues

The Town is in the middle of doing an update of its General Plan. This is addressing land use issues for housing, commercial development and park and recreation.

Current Priorities

At a previous strategic planning meeting, the Council reviewed the many issues facing the Town. Below are the goals they adopted for the Town:

- Establish the Downtown Core business district as the area of central focus and activity for the Loomis Basin.
- Match or increase revenue to meet the mission and goals to be fiscally sustainable.
- Improve and increase mobility and circulation for all modes of movement.
- Improve communications and understanding among all Town leaders and stakeholders.
- The Council believes it should lead other communities in promoting and achieving sustainability.

Gann Appropriations Limitation

The California Constitution, Article 13B, requires that each local government set an appropriations limit, which is the maximum amount of tax revenue that may be collected and spent. Each year, that limit is adjusted by an inflation factor based on population growth and the change in California per capital income. As can be seen in Appendix B, Budget Resolutions; the appropriations subject to the limit generally total less than the 40% limit. It is highly unlikely that the Town of Loomis will ever reach the limit since the inflation factor has always

been greater than the percentage increase in the related revenue. The projected population growth for Placer County will most likely keep it that way far into the future.

Sean Rabé
Town Manager

Roger Carroll
Finance Director

The Future

The Town of Loomis' future is uncertain:

- Property and sales taxes make up more than 60% of the Town's general fund revenue. While property taxes are stable, sales taxes can fluctuate significantly due to a wide variety of events, both financial and non-financial. While many businesses are recovering from the Pandemic, there is now fear of inflation in the near future.
- The State is expecting a major operating deficit this year which could result in the State attempting new ways of taking away revenue from local government.
- Retirement costs are expected to rise by 25% over the next six years.

For local governments to maintain control of their interests, they need to continue to push for Constitutional protection of their revenue sources so that revenue raids by the State can no longer take place.

Conclusion

Although the future presents the challenge of finding and securing new or improved sources of revenue, the Loomis Town Council and Staff have demonstrated, for years, the ability to provide good local government, with minimal resources. The budget as presented allocates funds conservatively and appropriately, allowing the Town to accomplish goals set by this Council, and prior Councils: to provide a safe and enjoyable community with a rural atmosphere.

Respectfully submitted,

TOWN OF LOOMIS

PROGRAM DESCRIPTION

The Loomis Town Council consists of five members, elected at-large on a non-partisan basis. Members serve for four years, with overlapping terms. The Town Council is the legislative body for the Town: its responsibility is to make policy. The Mayor presides over the Town Council Meeting. Council members also represent the Town on the boards of other Government agencies, including the Placer County Economic Development Commission, the Placer County Flood Control District, the Local Agencies Formation Commission, the Placer County Transportation Planning Agency and the Placer County Mosquito Abatement District.

Staffing level: 5 elected Council Members

PROGRAM OBJECTIVES

- * Maintain a quality of life in which families can grow and enjoy the small Town atmosphere.
- * Preserve a Town in which there are concerns for all segments of society, including businesses and residents.
- * Encourage the participation of all citizens in civic and community activities.
- * Develop a Council and Town staff that responds courteously and respectfully to the concerns and needs of the Town's residents.
- * Maintain slow, quality growth while preserving the financial integrity of the Town.

PROGRAM DESCRIPTION

The Town Clerk's Department is responsible for the custody and maintenance of the Town's records. The Clerk oversees preparation and distribution of meeting agendas and minutes, resolutions, ordinances, etc. The Clerk coordinates the secretarial needs of the Council and Administrative Department, and administers the filing of all Fair Political Practice forms pursuant to State Laws. The Clerk's Department acts as the Town's Personnel Department and Deputy Registrar of Voters and maintains the documentation required by law.

Staffing level: 1.0 full time equivalent employees

PROGRAM OBJECTIVES

- * Maintain legislative records that are accurate and readily available to Council, Staff and the Public.
- * Insure that parliamentary procedures are followed.
- * Insure that liability claims are properly addressed and followed through.
- * Insure that the Town's Municipal Code is enforced.

PROGRAM DESCRIPTION

The Finance Department and Town Treasurer are responsible for the effective management of the Town's fiscal resources and obligations. This department is responsible for accounting, financial reporting to the Town Council, preparation for the annual fiscal audit, budget preparation, cash management, payroll, accounts payable and receivable and reporting to other State and Federal organizations. As the Town's Treasury, this department is responsible for receiving and safekeeping the taxes and other revenues received by the Town.

Staffing level: 1.40 full time equivalent employees

PROGRAM OBJECTIVES

- * Safeguard the Town's Assets
- * Provide relevant financial information and assistance to the Town Council, Town Manager and other departments.
- * Maintain appropriate balance between funds required to meet current obligations and the maintenance of an investment portfolio which will approximate a 100% invested position.

PROGRAM DESCRIPTION

The Town Manager administers policies and programs as directed by the Town Council.

Staffing level: 1.90 full time equivalent employees

PROGRAM OBJECTIVES

- * Provide assistance to Town Council in creating policies and programs responsive to the community's needs.
- * Provide and promote effective leadership for all employees in order to accomplish the Town's mandated functions and respond to the policy decisions from the Town Council.
- * Coordinate the Town's response and actions as related to neighboring jurisdictions and State and Federal legislatures.

PROGRAM DESCRIPTION

The Planning Department is responsible for addressing issues relating to property development and land use within the Town of Loomis. The Planning department sees that the quality of development within the Town reflects the preferences of the community as a whole, as stated in the General Plan and conforms to State and Federal guidelines. The Department administers the Town's Zoning Ordinances by processing and reviewing new development applications, and the associated environmental review and documentation, then making recommendations to the Planning Commission on whether to approve or deny the project.

Staffing level: 2.70 full time equivalent employees.

PROGRAM OBJECTIVES

Prepare, maintain and implement a comprehensive set of policies and physical plans to guide future development that is reflective of the citizen's desires to create and maintain a friendly, rural style community.

PROGRAM DESCRIPTION

This cost center represents budget items formerly reported under various department headings, including Town Council and Planning, that have similar relevance to community services. Each item, individually does not warrant its own budget cost center, so has been grouped on this page.

New with the 2017-18 budget is an allocation to the Loomis Library Community Learning Center. This is funded by a revenue collected from a 1/4 cent sales tax approved by the voters in the 2016 General Election.

PROGRAM DESCRIPTION

The Loomis Library and Community Learning Center is one of the golden nuggets of the Town of Loomis...
The Library staff includes one full-time Community Resource Librarian and two full-time and one part-time Assistant Librarians.
The Library Advisory Board is made up of volunteers and makes recommendations to the Town Council. The Board, along with many members of the community completed a strategic planning process which provided the Library staff, the Advisory board and Town Council with goals and objectives to better direct the programs and activities to the needs of the community in this ever changing information rich world.

PROGRAM DESCRIPTION

This cost center details Council projects that enhance or promote the business and economic aspects of the Town. Specifically, the Council is taking a "Shed to Shed" approach, concentrating on the business in the Downtown Core area between the High Hand Fruit Shed on the southwest and the Blue Goose Fruit Shed on the northeast.

PROGRAM DESCRIPTION

The Town of Loomis contracts for all of its safety services.

Police service is provided by contract with the Placer County Sheriff's office. We have one officer dedicated to the Town throughout the day, seven days per week. During the overnight shift, the Town shares an officer with the surrounding county area.

The Town also contracts for a traffic enforcement officer for 40 hours per week.

Animal control service is contracted with the Placer County Health and Human Services.

Fire protection and emergency medical service is provided by the Loomis Fire Protection District, which is its own, self administered special district. They require no funding from the Town, as they receive their own property taxes and assessments directly through the County.

The Town, though, is responsible for wild fires within its limits. In such a case, the Fire District would bill the Town for the cost of containment within the Town limits. We are funding \$20,000 this year just in case such a fire takes place.

PROGRAM DESCRIPTION

The Public Works department provides for construction and maintenance of the Town's infrastructure. Infrastructure includes streets, sidewalks, curbs, gutters, ditches, street lights, traffic signals and parks. The Public Works department works with the Planning Department in reviewing development projects for proper drainage and other compliance issues.

Staffing level: 4.40 full time equivalent employees

PROGRAM OBJECTIVES

Provide a safe and comfortable environment for the citizens and businesses of the Town by creating and maintaining appropriate infrastructure.

PROGRAM DESCRIPTION

The Building department provides for construction regulation and inspection.

One Town staff employee supports a contract building inspector. Some additional activities, such as plan checking are sometimes contracted out.

Staffing level: 0.25 full time equivalent employees and 0.40 contract employees

PROGRAM OBJECTIVES

Provide inspection for building construction for compliance with local and statewide requirements and standards.

PROGRAM DESCRIPTION

The Transportation Fund tracks the restricted revenues received for street and road maintenance and bus service, and the related costs. There are two main revenue sources. First, funds are received from the State gas tax fund for road maintenance. A second allocation of the State gas tax fund comes to the Town by way of the Placer County Transportation Planning Agency (PCTPA) and must be first spent on transit needs (Bus and Dial-a-ride), with the remainder available for road construction and maintenance. The Town contracts with Placer County for the bus and Dial-a-ride services. Other grants are received and tracked through this fund if they are restricted to similar purposes.

Staffing level: 2.35 full time equivalent employees

PROGRAM OBJECTIVES

Provide transit service and maintain a safe and useful road system.

The Park Funds

During 2019/20 the Town contracted for an update of developer impact fees. The contractor recommended only one Park Development fee, and the Park Aquisition and Passive Park/Open Space fees were discontinued. This one fee is now collected to buy property and develop park facilities.

The rates are as follows: \$6,781 per single family housing unit and \$5,587 per multi-family housing unit.

Formerly, the fees were collected separately for Park Aquisition, Park Development and Passive Parks/Open Space. Although the balances for those various funds have been combined for reporting in this budget, the collected funds remain separate in the accounting records and are restricted for the purposes for which they were collected.

Drainage Fund

The Drainage Fund collects fees charged on residential and commercial development. The rates were changed during 2019/20 and are as follows: Residential - \$994 per Single Family dwelling unit and \$605 per Multi-Family dwelling unit; \$0.455 per square foot for Commercial development and \$0.322 per square for Industrial development.

As more land is developed, less water from winter storms is able to be absorbed into the ground. This causes an increase in runoff, and the flooding that seems to be more prevalent these days.

The fees collected are used to create facilities that collect, retain, and re-route storm runoff water.

Low Income Density Bonus

This fee is charged on all development of five or more dwelling units at the rate of \$750 per developed unit.

The funds are dedicated to housing opportunities for moderate or low income households. In prior years, a portion of the fund was used in combination with Community Development Block Grant Funds to offer low interest loans. A portion of the fund was available for economic development projects. The Town has had a façade improvement program in the downtown area and has expended all of the available funds on that project.

Loan fund

During 2008, the Town Council chose to start a mortgage assistance program funded through Low Income developer fees and revenues from prior Community Development Block Grant loans repaid. Three loans were approved, using all the available funds. As these loans are repaid, the funds will be available to future home buyers.

At this time, none of the loans are expected to be repaid in the near future.

Road Circulation Fund

These development fees were changed during 2019/20. They are \$3,813 per single family dwelling unit; \$2,650 per dwelling unit in Multi-Family residential development; \$2.777 per square foot of industrial development and \$7.003 per square foot of commercial development. The King/Taylor fee was discontinued as the project was completed during the 2005/06 year.

As the Town is developed, it will clearly need more and better roadways. This fund was created by Town Resolution 95-54 with eleven specific road projects, with a total estimated cost (in 1995 dollars) of \$5,175,000.00. The projects include the following streets and bridges: Horseshoe Bar Road Bridge, Brace Road Bridge, Barton Road, Sierra College Boulevard, Horseshoe Bar Road, Wells Avenue, Laird Road, Rippey Road, Bankhead Road and Taylor Road. Please see Resolution 95-54 for more details.

Taylor Road, from King Road to the Town limit was reconstructed during 2005/06 which depleted the funds. Because this project benefits future development, the negative balance was through subsequent impact fees and mitigation payments from development outside of the Town limits.

Interchange Fund

This development fee was created specifically for improvements to the Horseshoe Bar Road and Interstate 80 Interchange, as follows: Phase 1 - add left turn lanes and signals and widen on and off ramps (completed in 1996). Phase 2 - Add two additional lanes in a parallel overpass, west of existing. Phase 3 - Replace existing overpass. Total project cost (in 1995 dollars) \$5,227,000.

The Town reviewed and updated the development fees during 2019/20. The new rate is \$3,097 per single family dwelling unit; \$2,152 per dwelling unit in Multi-Family residential development; \$2.255 per square foot of industrial development; and \$5.687 per square foot of commercial development.

Sierra College Blvd Fund

This development fee was created specifically for improvements to the Sierra College Blvd (SCB). The impacts to SCB come from development both inside and outside the Town limits. It is intended that this fund will also be funded through both impacts.

The fees were reviewed during 2019/20 and increased. The current rates are: \$1,364 per single family dwelling unit; \$948 per dwelling unit in Multi-Family residential development; \$0.993 per square foot of industrial development; and \$2.505 per square foot of commercial development.

Community Facilities Fund

This development fee is collected for the future purchase and/or construction of a Loomis Town Hall.

The fees were reviewed during 2019/20 and increased. The current rates are \$2,637 for each Single Family residential unit, \$2,173 for each Multi-Family residential unit. There are no Community Facilities Fees charged on commercial or industrial development. Funds were used to purchase and remodel the new Town Hall at 3665 Taylor Road.

Tree Fund

The Town of Loomis values its trees. The Town adopted an updated Tree Ordinance during the 2014-15 fiscal year. Any lot within the Town that cannot be further subdivided can get a tree removal permit at no cost. Larger lots and developments will have fees negotiated depending on the specifics of the property and the number of trees to be removed.

Solid Waste Reduction Fund

State Assembly Bill 939 requires the reduction of solid waste going into landfills through "diversion" - diverting garbage away from landfills and into recycling programs. To give agencies the funds to create and maintain diversion programs, a surcharge is attached to all refuse service. This surcharge revenue flows through to the Town.

Some of these funds are use to pay for a Town clean-up day where residents can bring, at no charge, refuse to dumpsters located at Del Oro High School, rather than have to pay to take it to the dump. This allows for a greater diversion of recyclables away from the landfill.

Supplemental Law Enforcement

State Assembly Bill 3229 enacted the Supplemental Law Enforcement Fund. It was supposed to be a temporary funding source to be used for "front line" law enforcement. For the Town of Loomis, front line law enforcement is the Placer County Sheriff deputies on patrol in the Town limits. In prior years the fund has been used to purchase a radar trailer, a notepad computer, an autofocus camera, alcohol screening devices, hand held radio microphone extenders and an advanced latent print kit.

The State of California included additional local law enforcement funds in its 2001-02 budget. This came to Loomis in the form of two large apportionments; \$100,000 for additional "front line law enforcement" and \$102,048 for "high technology equipment."

At the Sherriff's Office request, the Town has purchased additional patrol car computers, alcohol screening devices, defibrillators, cameras and radar equipment. Toward the end of fiscal year 2000/2001, an additional Sheriff deputy was hired and a patrol car purchased and outfitted with this money to exclusively perform traffic control within the Town limits.

The annual \$100,000 allocation has continued to be funded through additional State taxes and creative State funding swaps.

TheTown Council continues to fund the traffic control officer, even though the contract exceeds the available funding, with designated prior year reserves.

Community Facilities District Number One - Hunter's Crossing Subdivision, was organized as a Mello-Roos maintenance district on February 23, 1988. Thirty-nine parcels, located on Brace Road, Hunters Drive, Ash Court and Elm Court are each assessed \$234.70 per year to maintain, repair and replace all curbs, gutters, streets, sidewalks, fire hydrants, drainage facilities, and operate and maintain street lights, over a fifty year time-table.

Unused budget carries forward as restricted fund balance, for use on future maintenance projects.

The Mello-Roos Community Facilities Act of 1982 allows for annual tax rate increases or decreases based on the national consumer price index changes between years, but not more than 7% over the previous year.

Community Facilities District Number Four - Live Oak Estates Subdivision, was organized as a Mello-Roos maintenance district on November 22, 1988. Thirty-nine parcels, located on Mareta Lane are each assessed \$291.62 per year to maintain, repair and replace all curbs, gutters, streets, sidewalks, fire hydrants, and drainage facilities.

Unused budget carries forward as restricted fund balance, for use on future maintenance projects.

The Mello-Roos Community Facilities Act of 1982 allows for annual tax rate increases or decreases based on the national consumer price index changes between years, but not more than 7% over the previous year.

The Saunders Avenue Improvement and Maintenance Districts were organized on January 22, 1991, under the Improvement Act of 1911, to construct and maintain 1,200 linear feet of roadway. The sixteen parcels located on Saunders Avenue were each assessed \$3,701.44. The owners of five of the assessed parcels chose to pay the assessment in full, with the remaining thirteen authorizing the Improvement District to issue bonds representing the unpaid balance to the Town. The bonds were issued at 9% interest per annum, collected semi-annually along with ad valorem real property taxes by Placer County. As of June 30, 2014, all the bonds have been paid off.

The sixteen parcel owners are additionally assessed \$60.00 per year to maintain, repair and replace the street and drainage facilities over a fifty year time-table. Unused budget carries forward as restricted fund balance for use on future maintenance projects.

Sierra de Montserrat was organized in 2009. Fifty-nine parcels, located on Rutherford Canyon Road, Sable Ridge Court, Monsterrat Lane and Blackhawk Court are each assessed \$785.88 per year to maintain, repair and replace all curbs, gutters, streets, sidewalks, fire hydrants, drainage facilities, and operate and maintain street lights, over a fifty year time-table.

Unused budget carries forward as restricted fund balance for use on future maintenance projects.
